E. Funding Opportunity Description

The Comprehensive Opioid Use Site-Based Program (COAP), also known as the Comprehensive Opioid, Stimulant, and Substance Use Site-Based Program (COSSUP), provides states, tribes, territories, and local governments with critical funding needed to respond to illicit substance use and misuse; reduce overdose deaths; promote public safety; and support access to prevention, harm-reduction, treatment, and recovery services in the community and justice system. The Office has overseen the administration of COAP for the State of Maryland since 2019. Initially, grant funding was used to support the implementation of the Law Enforcement Assisted Diversion (LEAD) program, which works directly with law enforcement to provide diversion options for low-level offenses among those who may have a mental illness or substance use disorder. The Office received approval to expand the scope of this funding to include efforts that respond to, treat, and support those impacted by this crisis, particularly those who have been historically underserved, marginalized, and adversely affected by persistent poverty and inequality. These efforts can include community-based programs, diversion from the criminal justice system through law enforcement and other first responder-based responses and court-based programs, as well as programming in jails and prisons to improve access to care.

Under this funding opportunity, priority will be given to expanding access to Medication for Opioid Use Disorder (MOUD) and Medication-Assisted Treatment (MAT) for individuals involved in the justice system in combination with counseling and behavioral therapies. MOUD and MAT represent a cornerstone in evidence-based interventions for individuals struggling with opioid use disorder. GOCPP aims to address the complex interplay between substance use, justice involvement, and healthcare access. The enhanced focus on MOUD/MAT reflects a commitment to leveraging proven interventions that alleviate the immediate harms associated with opioid misuse. GOCPP recognizes the unique challenges faced by justice-involved individuals in accessing and engaging with MOUD/MAT services.

This funding opportunity is designed for short-term initiatives and is not intended for the development or implementation of new programs. Grant funds are specifically allocated to support the expansion of existing programs.

Funding Information

The Governor's Office of Crime Prevention and Policy anticipates the availability of \$894,500.00 for the FY 2026 Comprehensive Opioid Use Site-Based Program (COAP) Grant. The office anticipates making up to 8 awards. The minimum amount an applicant should request for this project is \$50,000 and the maximum amount is \$150,000.

Please note that incomplete applications, as well as applications that do not meet the minimum range noted above or those that exceed the maximum award allocation noted above may be disqualified from funding consideration during the initial technical review.

Goal

To reduce the impact of illicit opioids, stimulants, and other substances on individuals and communities, including a reduction in the number of overdose fatalities, as well as mitigate the impacts on crime victims by supporting comprehensive, collaborative initiatives. Applicable agencies should strive to meet the following objectives through the implementation of supporting activities:

- ***Objectives:***
 - COAP Objective 1: Connect individuals at risk for overdose and/or survivors of a non-fatal overdose and their families with substance abuse and behavioral health treatment providers or peer recovery support providers trained in addiction support and recovery.
 - COAP Objective 2: Support law enforcement agencies in identifying individuals in need of substance abuse treatment services and connecting these individuals to treatment services. A variety of approaches may be proposed including embedding substance abuse clinicians into patrol units or increasing a law enforcement agency's analytic capability by hiring data analysts or epidemiologists.

- COAP Objective 3: Enhance programs to address the opioid epidemic in rural communities. Applicants may use technology to expand access to treatment and recovery support services for individuals who abuse illicit and prescription opioids and have limited access to treatment and recovery services due to geographic isolation.
- COAP Objective 4: Provide transitional or recovery housing as part of a comprehensive response strategy. *No more than 30 percent of total grant funds may be used for this purpose.*
- COAP Objective 5: Enhance a program to reduce the risk of overdose death and enhance treatment and recovery service engagement among the pretrial and post trial populations leaving jails or secure residential treatment facilities. This includes implementing medication-assisted treatment and cognitive behavioral treatment within a local or regional jail and supporting the transition to community-based services once released from custody.

Applicants applying for funding must:

Document the implementation of the program in a manual that includes policies and procedures, forms, and other relevant project materials and provide this to the Office to submit to the Bureau of Justice Assistance (BJA) for inclusion on the COAP Resource Center no later than six (6) months from the time of the award.

III. Program Requirements

GOCPP has made substantive changes to the SFY 2026 application instructions. An applicant should review the [GMS Application Instructions](#) in concert with this program-specific NOFA before submitting their application in the GMS. The narrative description provided in the GMS must incorporate the following program-specific elements in addition to the requirements in the [GMS Application Instructions](#).

All applications must adhere to word limits for each narrative response. Much of the information is required to be submitted in a numerical, outline format, which should aid in a concise application to meet maximum word requirements.

Note: The GMS will allow each response to exceed the word limit. **It is the responsibility of the applicant to ensure each response is within the limit. All words beyond the limit will not be read, considered, or reviewed.**

Applications that do not adhere to these requirements, as well as incomplete narratives, may be disqualified and removed from consideration during the initial technical review. GOCPP encourages applicants to draft their narrative in a word processing program (Word, Google Docs,

The Office places a significant emphasis on instituting strategic planning to align priorities at the State and local levels, to ensure it remains ahead of threats that impact the State, and to continue to be good stewards of the funds administered. For updates, refer to [Maryland's Comprehensive State Crime Control and Prevention Plan 2024-2026 Annual Update](#).

Grant funding is one of several tools that the Office utilizes to achieve its objectives per [Executive Order 01.01.2024.05](#), Code of MD Regulations (COMAR), and the Code of Federal Regulations (CFR) [2 CFR Part 200 - Federal Uniform Guidance](#) (UG)¹. Beginning in February of each calendar year, the Office issues a [Notice of Funding Availability \(NOFA\)](#)² for [grant programs](#) based on an annual budget appropriation. Eligible entities are encouraged to review annual updates to the programmatic and financial requirements described on the Office's website. Instructions to help applicants navigate the online application portal and submit a complete application request are available at [Grants Management System \(GMS\) Application Instructions](#). For more information, contact the Program Staff as specified in the program-specific NOFA or email support@goccp.freshdesk.com by the NOFA due date.

Note: All applications must be submitted online in the [Grant Management System \(GMS\)](#) following the guidelines outlined below. Paper or email applications are not accepted. Post-award, grant funds are issued on a quarterly, reimbursable basis.

1. FACE SHEET TAB INSTRUCTIONS

a. *Project Title*

The project title should be brief, precise, and reflect the proposed strategy. For example: "MCIN Howard County: Heroin Coordinator and Domestic Violence Shelter." (**Word Limit: 10**)

b. *Applicant Agency*

The unit of local government (county, city, town, or township), State agency, institution of higher learning, or state/local public, private, community based or non-profit entity that is eligible to apply for grant funds. Full details about the Applicant Agency (Federal ID, Unique Entity Identifier (UEI), etc.) may be viewed by clicking the corresponding underlined organization field. If any information needs to be revised, contact the Program Staff.

If the Government, Township, or Board of Commissioners mandates that the County Executive, Mayor, or Commissioner sign all grant award documents (for all subordinate agencies) then the Government, Township, or Board of Commissioners must be the Applicant Agency.

- **DUNS Number**³: Insert 00-000-0000 only (ie., 9 zeros)

On April 4, 2022, the DUNS number used across the federal government changed to a twelve-character identification code assigned by the federal [System of Award Management \(SAM\)](#) registration process. All entities seeking the Office's grant funds must have an active registration in the [SAM.gov](#) with a valid expiration date. Applicants must enter the 12 character identification in the narrative section of GMS.

- **SAM Expiration Date**⁴: Enter your SAM.gov expiration date only (MM/DD/YYYY format).

³ DUN & Bradstreet Number feature is defunct in GMS. Enter 9 zeros only and enter the 12 character identification in the narrative section.

⁴ For help with first-time registration, visit the Federal Service Desk, [FSD.gov](#).

Every applicant entity must comply with all applicable SAM.gov unique entity identifier(UEI) requirements. SAM.gov is the repository for certain standard information about federal financial assistance applicants, recipients, and subrecipients. The UEI is a unique twelve-character identification code assigned to your organization by the SAM.gov upon registration.

Once registered, entities must complete annual renewals to maintain an active status. It is recommended that you begin the SAM.gov registration or renewal process **30 days prior** to any NOFA deadlines to allow for the time necessary to complete the full process, including SAM.gov's entity validation process. If you intend to apply for a specific opportunity, refer to the grant program-specific NOFA, and plan your SAM.gov registration accordingly. For additional support, visit [SAM.gov Help](#). **A screenshot of an active registration must be uploaded in the document section of the GMS. Active registration must be maintained throughout the grant life cycle.**

SAM.gov Public Search Record: When registering, please check the box that allows the record to be a "public display record." This will enable periodic GOCPP compliance reviews of subgrantee SAM.gov status.

Access to SAM.GOV: [SAM.gov](#). There is no cost for this service.

The Authorized Official must possess the authority to enter into a legal agreement on behalf of the entity and bind it to the award terms and conditions. The Authorized Official on the submitted application is the County Executive, Duly Authorized Official of the local unit of Government, Mayor, Commissioner, Town Administrator (if confirmed), President (if confirmed), or if agencies are permitted to apply directly, the head of the agency receiving the subaward.

An agency's Authorized Official may be viewed by clicking his/her underlined name. A popup box will appear after clicking their name. Procedures for revising an agency's authorized official can be obtained by contacting support@goccp.freshdesk.com; or by viewing the General Conditions at <https://gocpp.maryland.gov/grants/general-conditions/>

d. *Implementing Agency*

f. *Proposed Start/End Dates*

Start and end dates are determined by the parameters of the NOFA and are prepopulated. Projects may not exceed twelve (12) months, unless explicitly stated in the NOFA, or commence before the Notice of Funding Availability defined start date. Grants must start on the first day of a month and end on the last day of a month.

g. *Preparer Information*

Enter information about the person completing the application, including name, phone number, and email address.

Although the GMS allows responses to exceed the limit, the word and character counts are displayed in the bottom right-hand corner of the section. Please note that any words exceeding the limit will not be read, reviewed, or considered.

Applications that do not adhere to these requirements, as well as incomplete narratives, may be disqualified during the initial technical review. GOCPP encourages applicants to draft their narrative in a word processing program (Word, Google Docs, etc.), then transfer to the Grants Management System (GMS) to aid in ensuring technical requirements.

I. Applicant Disclosure of Pending Applications Statement (Word Limit: 150)

Although supplanting is prohibited, the leveraging of federal funding is encouraged. In instances where leveraging occurs, all federal grant funds must be tracked and reported separately and may not be used to fund the same line items. Additionally, federal funds may not be used as a cost sharing match for other federal awards.

Your organization must disclose **all** pending grant applications for the same project (identical cost items) requested under this solicitation.

Note: Your organization must have a written policy in place concerning prorating and/or the calculations used, and provide the policy upon request.
 - iv. Provide the justification and/or formula for the proration rate(s) used. **Note:** Failure to provide the proration rate and justification/formula will result in denial of the requested line item(s) or adjustment to the request at the discretion of the Office.

Please visit the following page for additional guidance on suggested prorating strategies for subgrantees from one of our federal partners:

<https://ovc.ojp.gov/sites/g/files/xyckuh226/files/media/document/ovc-victim-assistance-prorating-strategies-for-subgrantees-winter-2020.pdf>

- b. **Spending Plan:** Detail the implementation **timeline of each budget line item** within the grant award period.

Letters of support/commitment will only be accepted when they are uploaded with the electronic application submission. Letters should be addressed to the Executive Director of the GOCPP. **If required, support letters must be updated in the Document section of the GMS by the due date.**

Also, refer to the NOFA and NOFA Checklist for any program-specific requirements that should be included in this section.

5. BUDGET TAB INSTRUCTIONS

Complete a detailed budget for the proposed project. All 'Total Budget' fields will be rounded by the Grant Management System to the nearest whole dollar.

Applicant designated prioritization of line items is required for all applications having multiple line items. This prioritization will be considered should budgets need to be reduced. This requirement is addressed following the Budget Tab Instructions under 'Budget Priority Tab.'

Budgets must be clear and specific. Budgets must reflect one year of spending, unless stated otherwise in the program specific NOFA and where applicable, be adjusted to reflect the start date and holidays. The Office **reserves the right to reduce budgets**. Grant funds are reimbursed on a quarterly basis unless otherwise noted in the NOFA.

Each budget line item must include a justification entry proportional to the application request. Total project cost for each budget category tab in GMS may include cost-share funds as required by the program-specific NOFA. Applicants may satisfy cost-share requirements with either Cash or In-Kind services, including volunteer hours, as applicable per NOFA requirements. Please refer to the [Grant Cost Share Calculator and Provisions](#) as applicable.

The justification sections must contain brief statements (one to two sentences per line item) that explain **each line item** and its relevance to the project goals and objectives. **Do not state "See Narrative, Goals, or Objectives"**. - Identify the different rates in the spending plan.
- The organization must have a written policy in place concerning prorating and/or the calculations used.
- A copy of the prorating policy must be provided when requested.

Please visit the following page for additional guidance on suggested prorating strategies for subgrantees from one of our federal partners:

New Resource: Sample Budget Spreadsheet Tool: For assistance in developing application budgets to include all required elements, the Office has developed a [Budget Assistance Spreadsheet](#) as a resource. Applicants are encouraged to complete this spreadsheet as a tool, then transfer all information in the online Grants Management System (GMS).

Note: *The use of this tool is not required and **should not be uploaded** in the GMS. The Budget entered into the GMS Budget Tab is the only budget that will be reviewed and considered for each application.*

Unallowable Costs

The following services, activities, and costs cannot be supported by the Office:

- Alcoholic beverages
- Bonuses or Commissions
- Construction/Capital Expenses/Land Acquisition
- Corporate Formation (costs associated with incorporation fees, brokers' fees, fees to promoters, organizers or management consultants, attorneys, accountants, or investment counselor in connection with establishment or reorganization of an organization)
- Fundraising
- Honorarium
- Lobbying costs (including membership fees to organizations whose primary activity is lobbying)
- Meals (exception to consider food consumed by clients must be pre-approved.)
- Previous Debt Obligations
- Trinkets (items such as hats, mugs, portfolios, t-shirts, coins, and gift bags)

Please note that all costs must be reasonable, allocable, and allowable. Additionally, the Office's funding is reimbursable quarterly unless otherwise stated. To this end, applicants must consider if the entity has the financial capacity to await reimbursement following each reporting period.

The list above is not exhaustive. The Governor's Office of Crime Prevention and Policy reserves the right to make additional budget reductions/restrictions and adjustments at its discretion.

PERSONNEL

The salaries and fringe benefits for staff required to implement the project are listed in the personnel category. Note: Each requested position/title must be consistent with the title in the 'Key Grant Personnel' portion of the narrative. Consultants must be listed in Contractual Services.

Note: Time and Effort reports (Timesheets) must be maintained for **all personnel** included in the grant project. Refer to the bottom of the page at <https://gocpp.maryland.gov/grants/tips-and-guidance/time-and-effort-reports/> for more information.

For budget categorizing, personnel expenses cover salaries and wages for staff employed directly by your agency, including associated costs like FICA and fringe benefits. In contrast, contractual services, which should be entered into the Contractual budget category, pertain to agreements with external organizations or individuals performing services, where FICA and fringe benefits are generally not applicable since these entities are not treated as employees.

For each personnel position, list salary and fringe benefits as separate line items.

- The 'Description of Position' field must contain the title of the position.
- Position line items (salary and fringe) are grouped via the 'Description of Position' field.
- After completing the first Position's line item, use the dropdown to add additional budget items to the position. Include Grant Funds request and/or Cash cost-share contribution.
- The 'Description of Position' field is used to select existing positions and to add new positions.
- For multiple staff in the same position, use a suffix (i.e., Position 1, Position 2, etc.)
- Multiple positions with the same title and classification may be grouped (i.e., Overtime Patrols – 25 Officers). In addition to the requirements below, you must provide total dedicated hours for the grouped positions.

Notes:

- For each salary line item, you **must include the full annual salary amount, the percentage of time that will be spent on the project, and the hourly rate.** The hourly rate may be calculated by full salary divided by 2,080.
- Fringe benefits may not exceed 30% of reported salary costs unless prior approval is received. For each line item entered, you must include a justification that ties that item to the activities described in your narrative.

Example justifications based on the Personnel category:

Justification (line 1):

The Community Outreach Coordinator helps prepare, schedule, and develop training targeted for hospitals and other medical facilities.

Annual salary is \$60,000. She will be devoting 33.33% of her time to this project. We are requesting $\$60,000 \times .3333 = \$19,998$, rounded to \$20,000, in grant funds to support her time on this project. Her hourly rate is \$28.85.

Justification (line 2):

Fringe benefits @ 10% of salary. $\$20,000 \times .10 = \$2,000$

Justification (line 3):

The Community Outreach Trainer makes presentations at hospitals and other medical facilities. This position is supported with cash cost-share funds from a private donor. Annual salary is \$40,000. She will be devoting 25% of her time to this project. We are contributing $\$40,000 \times .25 = \$10,000$ to support her time on this project. Her hourly rate is \$19.23.

Justification (line 4):

Fringe benefits @ 10% of salary. $\$10,000 \times .10 = \$1,000$

OPERATING EXPENSES

Rental Space, Printing, and Communications. Communication expenses include items such as telephone, fax, postage, and other expenditures such as photocopying. Note: Office supplies and project supplies should NOT be listed under operating, and should be listed in the 'Other' category.

Each line item entered, must include a justification that ties that item to the activities described in your narrative.

Refer to the Funding Specifications section of the NOFA for a list of allowable and unallowable expenses specific to the program.

TRAVEL

Travel expenses may include mileage and/or other transportation costs, meals, and lodging consistent with the local jurisdiction's travel regulations and may not exceed the State of Maryland reimbursement rate specified below.

For each line item entered, you must include a justification that ties that item to the activities described in your narrative. **Dates for travel and training must be provided in the justification and must fall within the award period.**

- Refer to SFY travel/per diem rates [State of Maryland Policies and Procedures for meal reimbursement](#) and [travel reimbursement rate](#) (.70 cents/mile - 1/1/25)
- Review Federal GSA guidelines [Per diem rates | GSA](#) and [IRS Standard Mileage Rate](#)

CONTRACTUAL SERVICES

Consultant contracts for training or evaluation should be included here and shall be consistent with federal guidelines. Payments to an outside agency for an employee or any other services are considered Contractual Services.

For the line item description, enter the agency (consulting firm, temporary agency, etc.), a dash, and then the nature of the service to be provided (e.g., Consultants ABC – training for Seminar). Each line item entered requires a justification that ties that item to the activities described in your narrative.

Consultant Rates: The following requirements related to consultant rates apply to all GOCPP's awards whether funded by State or federal funds. The maximum allowable compensation rate for consultant services is \$81.25 per hour or \$650 per day. Rates above this threshold will be considered on a case-by-case basis and require prior approval.

Additional information and the required procedures for requesting prior approval are found in the [Request for Preauthorization of Consultant Fees Form](#). Please note that charges at a rate above the established maximum rate that are incurred prior to the issuance of GOCPP's written approval will be determined as a disallowed cost.

Important: Contracts in existence at the time of application must be uploaded into the Documents section of the GMS during the application process. Contracts finalized post award must be uploaded into the GMS once finalized and before any reimbursement for the related expenses will be awarded.

EQUIPMENT

Equipment is defined as having a useful life in excess of one year and a procurement cost of \$10,000 or more per unit. Costs may include taxes, delivery, installation and similarly related charges. Equipment with a unit cost less than \$10,000 should be recorded in the 'Other' category (see below). The procurement process used must be consistent with the Applicant Agency's written procurement guidelines. If such guidelines do not exist, refer to the State of Maryland guidelines by accessing [General Condition Regarding Procurement](#) on the Office's website under the Grant's Area.

Maintaining internal inventory records for equipment procured under this funding source is mandatory. For post award inventory requirements, access [General Condition Regarding Property Inventory Report Forms](#) on the Office's website. [Property Inventory Report Form \(PIRFs\)](#) is required for equipment that costs \$10,000 or more per unit cost, unless the Special Conditions in your grant packet state otherwise.

Each line item entered requires a justification that ties that item to the activities described in your narrative.

OTHER

Include all other anticipated expenditures which are not included in the previous categories, such as **registration fees, program and office supplies, and equipment with a useful life less than one year and a procurement cost of less than \$10,000.** Include additional cost-share funds to support sustainability, as applicable. Refer to the [provisions for cost-share requirements](#). If applicable, upload a federally Negotiated Indirect Cost Rate Agreement (NICRA) in the Document section of the GMS.

Each line item entered requires a justification that ties that item to the activities described in your narrative.

INDIRECT COST RATE

Indirect costs may be charged to a subaward only if:

- The subrecipient has a current (unexpired) federally approved indirect cost rate; or

- The subrecipient is eligible to use, and elects to use, the de minimis indirect cost rate described in the Part 200 Uniform Requirements, as set out at 2 C.F.R. 200.414(f).

Important: Applicants **must** identify in the narrative and budget justification if they are utilizing the de minimis rate or if they are utilizing a negotiated indirect cost rate, and express mathematically how they are arriving at the budgeted amount for indirect costs.

An applicant with a current (unexpired) federally approved indirect cost rate **must** attach a copy of the indirect cost rate agreement to this application. An applicant that does not have a current federally approved rate has the option of electing to use the **15% de minimis** indirect cost rate. If an eligible applicant elects the de minimis rate, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. Please note that the de minimis rate may no longer be used once an approved federally negotiated indirect cost rate is in place. The revision to [2 CFR 200.414 \(f\)](#) expands the use of the de minimis rate of 15 percent of modified total direct costs (MTDC) to all non-Federal entities (except for those described in [Appendix VII to Part 200- State and Local Government and Indian Tribe Indirect Cost Proposals, paragraph D.1.b](#)).

Indirect Cost Distribution Bases:

*Modified Total Direct Cost, or MTDC (to be utilized if claiming **De minimis**):* This base includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards up to the first \$50,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of \$50,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency.

Direct Salaries and Wages: This base includes only the costs of direct salaries and wages incurred by the organization.

Direct Salaries and Wages plus Fringe Benefits: This base includes the costs of direct salary and wages and the direct fringe benefits incurred by the organization.

General guidance on cost allocation and prorate - Applicants must determine the appropriate methodology for allocating shared costs that are budgeted and charged to multiple grants. Reimbursable funds charged to multiple costs in the accounting and financial management system must be distributed in proportion using the principles of reasonable, allowable, and allocable expenditures per budget category and line item, as applicable.
