Purpose

Thank you for applying for the Maryland Domestic Violence Grant Program (DOMV) from the Governor's Office of Crime Prevention, Youth, and Victim Services (Office). The primary purpose of this program is to prevent incidents of family violence, domestic violence, and dating violence and to meet the needs of all victims and their dependents, including those in the underserved communities. Services may include a 24-hour hotline, safe accommodations, therapeutic counseling, legal counseling, and court accompaniment. Funds may also be used to support community awareness activities and abuse intervention programs.

These efforts support the Governor's Office of Crime Prevention, Youth, and Victim Services' objective of improving victim services for Maryland residents by identifying and establishing resources to assist victims in achieving self-sufficiency, improving victim safety, and ensuring victims and the community are aware of their rights and resources.

The Office has made a number of changes to help provide you with the most flexibility to access DOMV funding so that you can continue to deliver invaluable resources to Marylanders. One such adjustment is the submission of a streamlined application for this funding opportunity. Please read this entire NOFA carefully. I. ELIGIBILITY CRITERIA

A. General

The Comprehensive Domestic Violence Service Providers, as outlined in the Program Description Section below, are eligible to submit no more than one application each for DOMV funding. Please note that DOMV and FVPS are now separate grant applications.

B. Non-profit – 501(c)(3)

An organization must provide proof of this status by submitting a copy of its status letter from the IRS with the application. The requirements for obtaining 501(c)(3) status can be found on the Internal Revenue Service website (www.irs.gov); search for Publication 557, “Tax-Exempt Status for Your Organization.” If the IRS letter is not available, a letter from your organization’s authorized official listing officers, bylaws, and/or articles is permissible until such time that a copy can be obtained from the IRS.

C. Faith-Based Organizations

Faith-based organizations applying for grant funding do not have to relinquish or modify their religious identity (e.g., remove religious symbols) to be considered eligible applicants. However, grant funding may not be used to fund any inherently religious activity, such as prayer or worship. Organizations may continue to engage in inherently religious activities; however, such activities may not coincide with activities funded by the grant—i.e., such religious activities must be separate (in time and place) from the grant funded activity. Further, any participation in religious activities by individuals receiving services provided under the grant must be voluntary

Domestic Violence (DOMV)

C. Submission Date

Friday, April 7, 2023, by 11:59 PM

D. Anticipated Period of Performance

July 1, 2023 to June 30, 2024

E. Funding Opportunity Description

DOMV is funded through state general funds and FVPS is funded through the federal Family Violence Prevention and Services Act (FVPSA) from the U.S. Department of Health and Human Services.

These grant programs make temporary shelter environments and supportive services available through a network of local domestic violence services programs. These programs provide comprehensive services to meet the specific needs of domestic violence victims and their families. Providing these services locally increases the likelihood that victims will benefit from these services and that there shall be appropriate linkages to other community-based services as needed.

Additionally, provision of services fosters a coordinated community approach to serving domestic violence victims that includes partnerships with law enforcement, courts, hospitals, local departments of social services, and other related support agencies. The narrative should identify the partnering agencies and their level of involvement with your agency and this project. Additionally, these grants are designed to support the establishment, maintenance, and expansion of programs and projects:

- to prevent incidents of family violence, domestic violence, and dating violence;
- to provide immediate shelter, supportive services, and access to community-based programs for victims of family violence, domestic violence, or dating violence, and their dependents; and
- to provide specialized services for children exposed to family violence, domestic violence, or dating violence, underserved populations, and victims who are members of racial and/or ethnic minority populations.

III. Program Requirements

A. General Grant Requirements

Under DOMV, subrecipients shall abide by the following grant requirements, which must be documented within their narrative as appropriate:

- Operate a domestic violence program designed to meet the needs of victims of domestic violence and their families.
- Provide victims with assistance with developing a safety plan upon an incident or threat of domestic violence.
- Target unserved or underserved populations for provision of domestic violence services.
- Employ professional and paraprofessional staff and volunteers who shall have training or experience in interviewing persons in crisis and providing supportive services.
- Collaborate with appropriate entities within the geographic area and enhance service provision to victims and their families.
- Collect and retain basic identifying and demographic data concerning the applicants for service and nature of the request for service.
- Collect and retain data concerning the services rendered to each applicant for service.
- Maintain statutorily required civil rights statistical data on victims served by race, national origin, sex, age, and disability.
- Maintain the confidentiality of client-counselor information as required by state and federal law. Sub-recipients may not disclose any identifying information regarding an applicant or recipient of service to any agency or individual without written consent from the applicant or recipient except as required by State law regarding the reporting of cases of suspected child abuse or neglect.
- Not use or reveal any research or statistical information furnished under this program by any person or identifiable to any specific private person for any person for which such information was obtained, except as otherwise provided by federal law.
- Submit an annual performance report at the end of the calendar year covering the twelve months 6 from July 1 through June 30 of the current fiscal year. This report will be submitted to the Family and Youth Services Bureau within the Administration for Children & Families.
- Comply with all policies and regulations set forth by the Maryland Department of Health (MDH) and the local department(s) related to permits and inspections, if applicable. Documentation of shelter licensing and/or certification that the shelter is in compliance with the laws, regulations, and policies of the county, and MDH, must be submitted to the Governor's Office of Crime Prevention, Youth, and Victim Services along with the Notification of Project Commencement and Grant Award and Acceptance letter for all grant awards. No funds will be reimbursed for the project until documentation is received.
- Non-discrimination requirements based on race, color, national origin, age, disability, religion, actual or perceived sex, gender identity, actual or perceived sexual orientation;

B. FVPS Grant

The FVPS grant NOFA will be released in April 2023 for eligible applicants. Eligibility requirements remain the same for both DOMV and FVPS.

C. State Priority Areas

The following state priority areas have been identified:

- Increase victim service providers' collection of metrics and performance measures through case management systems, as well as other technology improvements.
- Funding for education, outreach, and resources for hospitals and doctors' offices to reach pregnant women and others at increased risk of domestic violence during pregnancy.
- Expand training resources for victim advocates and victim assistants.
- Provide teen dating violence prevention training to youth and youth-service providers.
- Develop and launch an outreach campaign for victim services.

DOMV can be used to cover funding gaps for eligible applicants for critical and essential personnel and other services that are required by the COMAR definition for comprehensive domestic violence services.

D. Confidentiality

Confidentiality pertains to the treatment of information that an individual has disclosed in a trusted relationship with the expectation that it will not be divulged to others in ways that are inconsistent with the understanding of the original disclosure unless permission is granted. Confidentiality is a core value shaping the work of domestic violence service providers. It is considered a fundamental element underlying safety and therefore guides the development and delivery of all services. Establishing a consistent federal standard for domestic violence programs, Family Violence Prevention and Services funded programs are required to follow the confidentiality provisions outlined in the Violence Against Women Act of 1994 (VAWA), which were strengthened and clarified in its reauthorization in 2005. There are three main requirements under FVPS that pertain to confidentiality, and DOMV has adopted the same standards:

- Establish and implement policies and protocols for maintaining the confidentiality of records pertaining to any individual provided domestic violence services.
- Prohibit individual identifiers from being shared when providing statistical data on program activities and program services regardless of encryption, hashing, or other data security measures, without an informed, written, reasonably time-limited release as described in 42 U.S.C. section 13925 of the Violence Against Women Act Reauthorization of 2005. In addition to 7 obvious identifiers such as name, address and social security number, it includes information that can potentially reveal the identity of a victim even if that person's name, address, or social security number was not provided. It can be a set of information that seems benign (e.g., type of employment, city of residence, race, religion, immigration status, number of children), but when combined can result in the identification of a victim.

- Keep the location of shelter programs confidential, except with written authorization of the person or persons responsible for the operation of such shelter.

E. Performance Measures

In addition to the above requirements, grantees will be required to track and measure program outputs and outcomes that directly support the Governor's Office of Crime Prevention, Youth, and Victim Services' objective of improving victim services for Maryland residents by identifying and establishing resources to assist victims in achieving self-sufficiency, improving victim safety, and ensuring victims and the community are aware of their rights and resources. Data for this could be collected by the following means:

- Short surveys asking about the victim's experience relating to these measures (Awareness of Services and Resources)
- Number of victims given brochures, program attempts to conduct outreach or prevention services, etc. (Awareness of Services and Resources, Self-Sufficiency)
- Number of sessions conducted with victim/family/other providers or stakeholders i.e. counseling, intake, impromptu court accompanying etc. (Safety/Self-Sufficiency and Awareness of Services and Resources) All grants awarded under this funding opportunity will be required to report on the following mandatory performance measures:
- Number of victims served.
- Number of victim responses to your Performance Measure assessment tool.
- Number of victims who felt safer as a result of this program.
- Number of victims who felt more self-sufficient as a result of this program.
- Number of victims who felt more informed of the services available as a result of this program.
- Number of victims who felt more informed of their rights as a result of this program.
- Number of new human trafficking victims served.
- Number of total human trafficking victims served.

For example: "Maryland Criminal Intelligence Network, Heroin Coordinator, Medication Assisted Treatment, Domestic Violence Shelter Services" and not the funding source (for example it should not be VAWA 2021 Funding).
2. Indicate what the project proposes to accomplish in general terms (examples include: reduce existing gaps in services, foster collaboration and cooperation among partner agencies and stakeholders, provide direct victim services, etc.).
3. Indicate the service area covered by the project. Local projects should list the specific county. Multijurisdictional projects should list all counties covered, and statewide projects should list Maryland.
4. Include one to two sentences describing the project's main function and who the project benefits/serves.
5. The last sentence summarizes the budget categories proposed to be funded. Depending on the request this could include: personnel, operating expenses, travel, contractual services, equipment and/or other.

C. NARRATIVE TAB INSTRUCTIONS

Provide a description of the proposed project and an expected timeline for its implementation. The contents for the narrative are explained below. The narrative must be in an outline-style format (**retaining all numbering, lettering, and headers**). Incomplete narratives may be returned for revision and/or are subject to removal from consideration during the initial technical review.

1. Problem Statement/Needs Justification

Include a detailed description of the nature and extent of the problem and/or need to be addressed, the target population, and geographical area served. Provide the latest statistical data to document the problem. What efforts, if any, have been made to address this problem in the past?

2. Project Goals and Objectives

Provide a statement that conveys the goals of the project. Goals identify the program's intended short and long-term results and should support the objectives outlined in the Outcomes versus Outputs Page located at the end of this document. A summary of these objectives is provided in the reference sheet located at the end of this document.

Identify specific objectives you wish to accomplish through implementation of the project. **Objectives** are **specific, quantifiable statements** of the project's desired results, and **should include the target level of achievement**, thereby further defining goals and providing the means to measure project performance. Please note that **if the continuation** of a project previously funded by the Office is being requested, a description of how the goals and objectives continue or build upon previous efforts **must** be included .

3. Project Strategy/ Logic Model

Explain in some detail how the project will address the problem and accomplish the project goals and objectives. Include linkages to other programs, organizations, and stakeholders that will be involved in or impacted by the project. The strategy should be based on an underlying logic—i.e., a set of assumptions regarding the services the project provides, the impacts these services will have on the clients it serves, and the projected results within the community or the targeted population (See Figure 1: Program Logic below). At a minimum, the strategy should address the following program elements:

Project Activities - Describe what the project proposes to do (e.g., education / training, case management, crisis intervention, group therapy, criminal investigation, etc.).

Figure 1: Program Logic

Program Logic

4. Project Measurement

Output Measures - Identify and describe the immediate services provided by the project. Specify how these outputs will be measured. (e.g., number of trained or counseled clients, arrests made, crimes investigated, crimes solved, sessions held, officers trained, hours of patrol / outreach etc.). Please note, **if you are requesting continuation** of a project previously funded by the Office, in this section you **must** also demonstrate the positive outputs this funding provided through the inclusion of performance measures data on the previous grant cycle.

Initial Outcome Measures - Identify and describe the substantive changes in the targeted population's knowledge, behavior, or disposition that are anticipated to result from the production of the outputs and will drive the impact. Specify how these initial outcomes will be measured and the tools that will be used to measure the change. (e.g., percent decrease in reported incidents of crime; percent decrease in recidivism rates for the population targeted; percent increase in awareness of victim services; percent increase in cases prosecuted through use of DNA tracking, etc.). Please note, **if you are requesting continuation** of a project previously funded by the Office, in this section you **must** also demonstrate the positive outcomes this funding provided through the inclusion of performance measures data on the previous grant cycle.

Impacts - Identify and describe the long-term outcomes that are anticipated to result from the production of the outputs (e.g., lower crime rates, healthier population, increased public safety, reduced spending on incarceration, etc.). Please note, **if you are requesting continuation of a project** previously funded by the Office, in this section you must also describe the impact of the previous funding and how this funding will continue or build upon these efforts. **Please include a brief statement on the impact of COVID-19, if applicable, with achieving your program goals and objectives.**

5. Timeline

Applicants must submit a detailed timeline/work plan. This timeline/work plan must include the following:

- Key tasks that must be carried out to implement the project successfully
- Person(s) responsible for seeing that each task is completed within the proposed timeline
- Target dates for task completion
- Timeframe for achieving objectives

6. Spending Plan

Detail the timeline for the implementation of each budget line item.

7. Management Capabilities

Qualifications and Experience of Implementing Agencies: Provide a brief description of the Applicant Agency's experience and achievements that qualify the agency to conduct the project.

Present and Proposed Staff: List the names and provide a short professional biography of the project director, key consultants, financial officer, and other professional staff members. Clearly identify, by name and title, requested personnel.

Indicate how all requested staff are currently funded (i.e., provide the entire budget for each position. If funded by more than one source, list percentages for each funding source).

8. Sustainability

What prospects exist for continued financing of the project when grant funds are terminated? What efforts have been or will be made to continue the methods, techniques, and operational aspects of the project when the grant funds are concluded? Indicate planned future sources of funding or proposed jurisdictional planning efforts.

9. Applicant Disclosure of Pending Applications Statement

Although supplanting is prohibited, the leveraging of federal funding is encouraged. In instances where leveraging occurs, all federal grant funds must be tracked and reported separately and may not be used to fund the same line items. Additionally, federal funds may not be used as a match for other federal awards.

Applicants must disclose all pending applications for federally funded assistance that includes requests for funding to support the same project being proposed under this solicitation and will cover the identical cost items outlined in the budget narrative and worksheet in the application under this solicitation. The disclosure must include both direct applications for federal funding (e.g. applications to federal agencies) and indirect applications for such funding (e.g. applications to State agencies that will be subawarding federal funds).

The GOCOPYVS seeks this information to help avoid duplication of funding. Leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate duplication.

In this section, applicants that have pending applications as described above must provide the following information about pending applications submitted within the last 12 months:

- the federal or state funding agency
- the solicitation name/project name
- the point of contact for information at the applicable funding agency
- the amount of the funding request as applicable

Applicants that do not have pending applications as described above must include a statement to this effect in this section (e.g. "[Applicant Name] does not have pending applications submitted within the last 12 months for federally funded assistance that include requests for funding to support the

same project being proposed under this solicitation and will cover the identical cost items outlined in the budget narrative and worksheet in the application under this solicitation.”)

10. SAM Registration/Unique Entity Identifier:

Every applicant entity must comply with all applicable System of Award Management (SAM.gov) unique entity identifier(UEI) requirements. SAM.gov is the repository for certain standard information about federal financial assistance applicants, recipients, and subrecipients. The UEI is a unique twelve-character identification code assigned to your organization by the SAM.gov upon registration. When registering, please check the box that allows the record to be a “public display record.” This will enable periodic GOCOPYVS compliance reviews of subgrantee SAM.gov status.

As an appendix, Please provide your UEI number and sam.gov expiration date at the end of your narrative and upload a pdf screenshot of your organization’s SAM.gov registration to the **Documents** section of the GMS application. This form can be obtained by registering or renewing your organization annually at <https://sam.gov/content/home>.

Access to SAM.GOV: <https://sam.gov/SAM/>

More information on the UEI can be found here:

<https://www.gsa.gov/about-us/organization/federal-acquisition-service/office-of-systems-managemen/integrated-award-environment-iae/iae-information-kit/unique-entity-identifier-update>.

D. LETTERS OF SUPPORT/COMMITMENT

If listed as a requirement in the NOFA, submit letters of commitment by partners who will participate in the execution of the project or whose cooperation or support is necessary for its success. Letters of support/commitment will only be accepted when they are uploaded with the electronic application submission. Letters should be addressed to the Executive Director of the GOCOPYVS.

E. BUDGET TAB INSTRUCTIONS

Complete a detailed budget for the proposed project. All 'Total Budget' fields will be rounded by the Grant Management System to the nearest whole dollar.

Applicant designated prioritization of line items is required for all applications having multiple line items. This prioritization will be considered should budgets need to be reduced. This requirement is addressed following the Budget Tab Instructions under ‘Budget Priority Tab.’

Budgets must be clear and specific. Budgets must reflect one year of spending and where applicable, be adjusted to reflect the start date and holidays. The grant cycle will reflect twelve (12) months, unless explicitly stated otherwise in the NOFA. The GOCOPYVS **reserves the right to reduce budgets**.

Each budget line item must include a justification entry. The justification sections must contain brief statements (one to two sentences per line item) that explain each line item and its relevance to the project goals and objectives. **Do not state "See Narrative, Goals, or Objectives"**.

Refer to the Grant Management System training videos for further instructions
<http://goccp.maryland.gov/grants/gms-help-videos/>.

PERSONNEL

The salaries and fringe benefits for staff required to implement the project are listed in the personnel category. Consultants must be listed in Contractual Services. **Time and Effort reports (Timesheets) must be maintained for all personnel included in the grant project. Refer to the bottom of the page at <http://goccp.maryland.gov/grants/tips-and-guidance/time-and-effort-reports/> for more information.** If you are paying an employee directly, they should be entered in the Personnel category. **For each position, list salary and fringe benefits as separate line items.**

- The 'Description of Position' field must contain the title of the position.
- Position line items (salary and fringe) are grouped via the 'Description of Position' field.
- After completing the first Position's line item, use the dropdown to add additional budget items to the position.
- The 'Description of Position' field is used to select existing positions and to add new positions.
- For multiple staff in the same position, use a suffix (i.e., Position 1, Position 2, etc.)
- Multiple positions with the same hourly rate may be grouped (i.e., Overtime Patrols – 25 Officers).

Note: Fringe benefits may not exceed 30% of reported salary costs. For each line item entered, you must include a justification that ties that item to the activities described in your narrative.

Note: For each salary line item, you must include the full annual salary amount, the percentage of time that will be spent on the project, and the hourly rate. Hourly rate can be calculated by full salary divided by 2,080.

Example justifications based on the Personnel category:

Justification (line 1):

The Community Outreach Coordinator helps prepare, schedule, and develop training targeted for hospitals and other medical facilities.

Annual salary is \$60,000. She will be devoting 33.33% of her time to this project. We are requesting $\$60,000 \times .3333 = \$19,998$, rounded to \$20,000, in grant funds to support her time on this project. Her hourly rate is \$28.85.

Justification (line 2):

Fringe benefits @ 10% of salary. $\$20,000 \times .10 = \$2,000$

Justification (line 3):

The Community Outreach Trainer makes presentations at hospitals and other medical facilities.

Annual salary is \$40,000. She will be devoting 25% of her time to this project. We are requesting $\$40,000 \times .25 = \$10,000$ in grant funds to support her time on this project. Her hourly rate is \$19.23.

Justification (line 4):

Fringe benefits @ 10% of salary. $\$10,000 \times .10 = \$1,000$

OPERATING EXPENSES

Office supplies (project supplies should be listed in the 'Other' category), Rental Space, Printing, and Communications. Communication expenses include items such as telephone, fax, postage, and other expenditures such as photocopying. For each line item entered, you must include a justification that ties that item to the activities described in your narrative.

Refer to the Funding Specifications Section of the NOFA for a list of allowable expenses.

TRAVEL

Travel expenses may include mileage and/or other transportation costs, meals, and lodging consistent with the local jurisdiction's travel regulations and may not exceed the State of Maryland reimbursement rate specified below. For each line item entered, you must include a justification that ties that item to the activities described in your narrative. **Dates for travel and trainings must be provided in the justification and must fall within the award period.**

- Mileage maximum: \$.655 cents/mile as of 1/1/2023. Current mileage rates are referenced at: <https://dbm.maryland.gov/Documents/FleetManagementServices/2023-POV-ReimbRate-01052023.pdf>
- Meal allowance/meal per diem must follow the State rate: <https://dbm.maryland.gov/Pages/MealTipReimbursement.aspx>.
- Lodging per diem must follow the GSA rate: <https://www.gsa.gov/portal/content/104877>.

CONTRACTUAL SERVICES

Consultant contracts for training or evaluation should be included here and shall be consistent with federal guidelines. Payments to an outside agency for an employee are considered Contractual Services. For the line item description, enter the agency (consulting firm, temporary agency, etc.), a dash and then the nature of the service to be provided (e.g., Consultants ABC – training for Seminar). Each line item entered requires a justification that ties that item to the activities described in your narrative.

Important: Copies of all contracts associated with items listed in the Contractual Services category **must** be included with your application. The threshold for consultant rates is \$650 per day or \$81.25 per hour. Rates above this threshold will be considered on a case by case basis, with sufficient budget justification.

EQUIPMENT

Equipment is defined as having a useful life in excess of one year and a procurement cost of \$5,000 or more per unit. Costs may include taxes, delivery, installation and similarly related charges. Equipment with a unit cost less than \$5,000 should be recorded in the 'Other' category (see below). The procurement process used must be consistent with the Applicant Agency's written procurement guidelines. If such guidelines do not exist, refer to the State of Maryland guidelines by accessing [General Condition Regarding Procurement](#) on the GOCPYVS' website under the Grant's Area.

Maintaining internal inventory records for equipment procured under this funding source is mandatory. For post award inventory requirements, access [General Condition Regarding Property Inventory Report Forms](#) on the GOCPYVS website. Each line item entered requires a justification that ties that item to the activities described in your narrative.

Property Inventory Report Forms (PIRFs) will only be required for equipment that costs \$5,000 or more per unit cost, unless the Special Conditions in your grant packet state otherwise.

OTHER

Include all other anticipated expenditures which are not included in the previous categories such as registration fees, program supplies, and equipment with a useful life less than one year and a procurement cost of less than \$5,000. Each line item entered requires a justification that ties that item to the activities described in your narrative.

INDIRECT COST RATE

Indirect costs may be charged to a subaward only if:

- The subrecipient has a current (unexpired) federally approved indirect cost rate; or
- The subrecipient is eligible to use, and elects to use, the de minimis indirect cost rate described in the Part 200 Uniform Requirements, as set out at 2 C.F.R. 200.414(f).

Important: Applicants **must** identify in the narrative if they are utilizing the de minimis rate or if they are utilizing a negotiated rate, and express mathematically how they are arriving at the budgeted amount for indirect costs.

An applicant with a current (unexpired) federally approved indirect cost rate **must** attach a copy of the indirect cost rate agreement to this application. An applicant that does not have a current federally approved rate has the option of electing to use the 10% de minimis indirect cost rate. If an eligible applicant elects the de minimis rate, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. Please note that the de minimis rate may no longer be used once an approved federally negotiated indirect cost rate is in place. The revision to 2 CFR 200.414 (f) expands the use of the de minimis rate of 10 percent of modified total direct costs (MTDC) to all non-Federal entities (except for those described in Appendix VII to Part 200- State and Local Government and Indian Tribe Indirect Cost Proposals, paragraph D.1.b). Previously, the de minimis rate could only be used for non-Federal entities that had never received a negotiated indirect cost rate.

Indirect Cost Distribution Bases:

Modified Total Direct Cost, or MTDC (to be utilized if claiming **De minimis**): This base includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards up to the first \$25,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of \$25,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirects costs, and with the approval of the cognizant agency.

Direct Salaries and Wages: This base includes only the costs of direct salaries and wages incurred by the organization.

Direct Salaries and Wages plus Fringe Benefits: This base includes the costs of direct salary and wages and the direct fringe benefits incurred by the organization.

POST AWARD INSTRUCTIONS:

L. [SUBRECIPIENT ORGANIZATIONAL CAPACITY QUESTIONNAIRE](#)

This questionnaire is used as a post-award assessment tool to determine the appropriate subrecipient monitoring and technical assistance level. Please note, this document assessment is not part of the criteria used in making award decisions and as such is **no longer due at the time of application**.

If the application is approved, this completed questionnaire will be required post-award. Please note, this questionnaire must be completed by the Applicant Agency. For government agencies, completion of this questionnaire may require coordination between the State or County and the agency, unit, or division implementing the project.
