Technical Assistance Objectives

Understand key concepts related to submission of an application under SFY26 RNPG for Continuation Funds, including:

- Award information
- Application requirements
- Application review process

Overview: RNPG

OFFICE OF THE GOVERNOR

Wes Moore

In FY2020, the Office conducted a Regional Navigator pilot program in three jurisdictions to evaluate program development, effectiveness, and identify ways to improve the program for future funding opportunities. In FY2021, the program expanded to seven additional jurisdictions, bringing the total navigator programs to 10 statewide. In FY2023, the Office received American Rescue Plan Act funds and expanded the Regional Navigator Program to cover all 24 jurisdictions in Maryland to comply with the Child Sex Trafficking Screening and Services Act of 2019.

OFFICE OF THE GOVERNOR

Wes Moore

Overview: RNPG

- The law requires law enforcement agents and local Departments of Social Services who have reason to believe a child is a victim of sex or labor trafficking to notify a Regional Navigator in their jurisdiction or region to obtain needed services for the child as enumerated by Chapter 559.
- A grantee must coordinate and/or provide services for suspected child sex or labor trafficking victims until the child reaches the age 24.

All funding is contingent upon the final approval of the Governor's Office of Crime Prevention and Policy's budget during Maryland's 2025 Legislative Session of the General Assembly.

OFFICE OF THE GOVERNOR

Wes Moore

Funding Eligibility

- ★ Funding through this NOFA for Continuation Funds is available to Regional Navigator Programs funded through SFY2025 RNPG. Eligible applicants may submit no more than one application for SFY2026 RNPG funding.
