II. Program Description

A. Requiring Agency

Governor's Office of Crime Prevention and Policy (Office)

B. Opportunity Title

SFY 2026 Police Accountability, Community and Transparency (PACT) Grant Program

C. Submission Date

Friday, June 6, 2025, by 11:59 PM

D. Anticipated Period of Performance

July 1, 2025 to June 30, 2026

E. Funding Opportunity Description

In 2021, the Maryland General Assembly passed the Maryland Police Accountability Act of 2021 ([House Bill 670/Chapter 59, 2021](#)). This legislation altered statewide police accountability and discipline processes, changed requirements for police training and certification through the Maryland Police Training and Standards Commission (MPTSC), established two higher education financial assistance programs for police officers, and increased civil liability limits for police misconduct lawsuits. Additionally, it mandated reporting on SWAT team activities and use of force complaints.

In part, the Office has developed the PACT grant program to ensure law enforcement agencies across the State can comply with the Act's requirements by **July 1, 2026**.

Note: The law requires the Governor's Office of Crime Prevention and Policy to withhold grant funding from any law enforcement agency that violates the state's use of force policies found in [Section 3–524 of the Public Safety Article of the Maryland Code](#).

The Office anticipates the availability of \$4 million in grant funding and plans to make up to 50 awards, ranging from \$20,000 to \$300,000. Please note, applications that do not meet this minimum range, or those that exceed the maximum award allocation, are subject to removal from consideration during the initial technical review.

Funding will be prioritized for projects that align with the PACT Grant Program's established priorities. Applicants are strongly encouraged to submit proposals that focus on accountability, officer wellness, community engagement, and innovative best practices. The Office will support projects that address at least one of the initiatives listed below:

Category One: Core Priorities - Accountability, Training, and Transparency

- Support Police Accountability Boards (PABs) and Administrative Charging Committees (ACCs) by funding staffing, training, and public access systems.
- Create and maintain an Early Intervention System (EIS) to track and review incidents involving employee risk. An EIS uses data to identify officers who may need support or corrective action.
- Develop a Victim's Rights Advocate Program to serve as a point of contact for law enforcement agencies and the public on police misconduct cases. The Advocate will explain the complaint process, investigations, and proceedings before the Administrative Charging Committee and Trial Board.
- Provide specialized training in professional development, use of force, de-escalation techniques, and peer intervention strategies.
- Implement implicit bias testing and provide annual training for all law enforcement personnel.
- Purchase or lease Body-Worn Camera (BWC) equipment to expand or maintain existing programs.

Category Two: High Impact Support Initiatives - Officer Wellness and Community Engagement

- *Officer Wellness and Support*
 - Support an Employee Assistance Program (EAP) to offer confidential mental health services for current and retired officers, including counseling, crisis counseling, stress management, resiliency sessions, and peer support.
 - Develop a mental health screening process for officers, conducted by a licensed mental health professional during hiring and every two years thereafter.
- *Community Engagement and Trust Building*
 - Establish a Citizens' Police Academy Program to educate community, business, and religious leaders on police operations, decision-making, and procedures, with the goal of strengthening community relationships.
 - Host town halls and roundtables to promote trust, transparency, and open dialogue between law enforcement and the community.
 - Support outreach initiatives that foster positive relationships between law enforcement and the communities they serve.

Category Three: Innovation and Research Initiatives - Emerging Needs and Best Practices

- Develop a Misconduct Database that allows complainants to track the status of their case throughout the investigation process.
- Implement Virtual Reality (VR) Simulators to enhance law enforcement training by preparing officers for real-life scenarios and promoting community and officer safety.
- Conduct research on early intervention systems, use of force outcomes, criminal justice reforms, and community perceptions of policing and fairness.
- Review and analyze victim rights protections under the Police Accountability Act and related statutes to identify gaps and strengthen protections.
- Collaborate with law enforcement agencies to expand data collection, improve transparency, and support research on policing practices.
- Launch innovative outreach and engagement projects to build community trust and advance public safety reforms.

All funding is contingent upon the final approval of the Governor's Office of Crime Prevention and Policy's budget during [Maryland's 2025 Legislative Session](#) of the General Assembly.

III. Program Requirements

The Office has made substantive changes to the SFY 2026 application instructions. An applicant should review the [GMS Application Instructions](#) in concert with this program-specific NOFA before submitting their application in the GMS. The narrative description provided in the GMS must incorporate the following program-specific elements in addition to the requirements in the [GMS Application Instructions](#).

All applications must adhere to word limits for each narrative response. Much of the information is required to be submitted in a numerical, outline format, which should aid in a concise application to meet maximum word requirements.

Note: The GMS will allow each response to exceed the word limit. **It is the responsibility of the applicant to ensure each response is within the limit. All words beyond the limit will not be read, considered, or reviewed.**

Applications that do not adhere to these requirements, as well as incomplete narratives, may be disqualified and removed from consideration during the initial technical review. The Office encourages applicants to draft their narrative in a word processing program (e.g., Microsoft Word, Google Docs, etc.) then transfer to the GMS to aid in ensuring technical requirements.

Application Tip: A double-spaced page of 12-point Times New Roman font typically contains 250 words.

Also, see the [VII. Application Evaluation](#) section below.

A. Overall Organization Information (Word Limit: 500)

See the [GMS Application Instructions](#) for requirements for this section of the narrative.

B. Problem Statement/Needs Justification (Word Limit: 500)

Applicants should articulate a statement of the problem or evidence of need that the proposed activity/services will address. This need area must be aligned with one of the PACT Initiatives, and **must be supported by data analysis** for a period of at least 3 years to highlight the need for the program/project proposed.

Successful applications will:

- Demonstrate a clear understanding of the Department needs or the needs of the local population. **Including a discussion of local data (including sources) for the department or populations to be impacted by the proposed activity.** (NOTE: Applicants should not rely solely on national or state level statistics)
- Demonstrate an awareness of and connection to other local efforts for which the proposed strategy is complementary and not duplicative.
- State whether this request is new or continuation funding. If new funding, provide the efforts made to meet the needs of this request. If seeking continuation funds, articulate the continued need, as well as demonstrate previous success and how the project will be building off of prior GOCPP funding.

See the [GMS Application Instructions](#) for additional requirements for this section of the narrative.

C. Program Purpose Area (Word Limit: 150)

Applicants must clearly identify which PACT initiatives their project supports and explain how the proposed activities will address these priorities and align with [Maryland's Comprehensive State Crime Control and Prevention Plan](#).

See the [GMS Application Instructions](#) for additional requirements for this section of the narrative.

D. Project Design (Word Limit: 750)

See the [GMS Application Instructions](#) for requirements for this section of the narrative.

These reports must be submitted through the Grants Management System. All programmatic electronic reports are due within 15 calendar days of the end of each quarter. Financial electronic reports are due within 30 calendar days of the end of each quarter. All reporting activity occurs through the Grant Management System, using the same User ID and password used for the application process.

The Office provides an exception for monthly Financial reporting and reimbursement to non-profit entities that have applied for PACT with awards over \$50,000. Grantees that qualify may request monthly reimbursement through their fiscal specialist post award.

B. Supplanting, Transparency, and Accountability

Supplanting is the use of Office grant funds to replace State or local funds that were previously appropriated/budgeted for, or otherwise would have been spent on, the specific purpose(s) for which this sub-award has been awarded. Any salaries, positions, personnel expenses, contractual expenses, equipment, travel, and other expenses paid for with Office grant funds

must be used to supplement your organization's existing budget and may not replace any funds already included in your entity's existing or projected budget.

A strong emphasis is being placed on accountability and transparency. Grantees must be prepared to track, report on, and document specific outcomes, benefits, and expenditures attributable to grant funds. The Governor's Office of Crime Prevention and Policy is a government entity; upon submission, this application is considered public information. The Governor's Office of Crime Prevention and Policy does not sell collected grant information. Under the Maryland Public Information Act (PIA) (MD State Government Code Ann. 10-617 (h)(5)), you may request in writing to review grant award documentation. Please send those requests to the Governor's Office of Crime Prevention and Policy, 100 Community Place, Crownsville, Maryland 21032-2022. For more information on the Public Information Act, please click here: <https://gocpp.maryland.gov/public-information-act/>

Please refer to the **Grant Menu Screen** in the GMS. All requested information must be provided in each section of the GMS in a narrative form.

1. FACE SHEET TAB INSTRUCTIONS

a. *Project Title*

The project title should be brief, precise, and reflect the proposed strategy. For example: "MCIN Howard County: Heroin Coordinator and Domestic Violence Shelter." (**Word Limit: 10**)

b. *Applicant Agency*

The unit of local government (county, city, town, or township), State agency, institution of higher learning, or state/local public, private, community based or non-profit entity that is eligible to apply for grant funds. Full details about the Applicant Agency (Federal ID, Unique Entity Identifier (UEI), etc.) may be viewed by clicking the corresponding underlined organization field. If any information needs to be revised, contact the Program Staff.

If the Government, Township, or Board of Commissioners mandates that the County Executive, Mayor, or Commissioner sign all grant award documents (for all subordinate agencies) then the Government, Township, or Board of Commissioners must be the Applicant Agency.

- **DUNS Number**³: Insert 00-000-0000 only (ie., 9 zeros)

On April 4, 2022, the DUNS number used across the federal government changed to a twelve-character identification code assigned by the federal [System of Award Management \(SAM\)](#) registration process. All entities seeking the Office's grant funds must have an active registration in the [SAM.gov](#) with a valid expiration date. Applicants must enter the 12 character identification in the narrative section of GMS.

- **SAM Expiration Date**⁴: Enter your SAM.gov expiration date only (MM/DD/YYYY format).

³ DUN & Bradstreet Number feature is defunct in GMS. Enter 9 zeros only and enter the 12 character identification in the narrative section.

⁴ For help with first-time registration, visit the Federal Service Desk, [FSD.gov](#).

Every applicant entity must comply with all applicable SAM.gov unique entity identifier(UEI) requirements. SAM.gov is the repository for certain standard information about federal financial assistance applicants, recipients, and subrecipients. The UEI is a unique twelve-character identification code assigned to your organization by the SAM.gov upon registration.

Once registered, entities must complete annual renewals to maintain an active status. It is recommended that you begin the SAM.gov registration or renewal process **30 days prior** to any NOFA deadlines to allow for the time necessary to complete the full process, including SAM.gov's entity validation process. If you intend to apply for a specific opportunity, refer to the grant program-specific NOFA, and plan your SAM.gov registration accordingly. For additional support, visit [SAM.gov Help](#). **A screenshot of an active registration must be uploaded in the document section of the GMS. Active registration must be maintained throughout the grant life cycle.**

SAM.gov Public Search Record: When registering, please check the box that allows the record to be a "public display record." This will enable periodic GOCPP compliance reviews of subgrantee SAM.gov status.

Access to SAM.GOV: [SAM.gov](#). There is no cost for this service.

An agency's Authorized Official may be viewed by clicking his/her underlined name. A popup box will appear after clicking their name. f. *Proposed Start/End Dates*

Start and end dates are determined by the parameters of the NOFA and are prepopulated. Projects may not exceed twelve (12) months, unless explicitly stated in the NOFA, or commence before the Notice of Funding Availability defined start date. Grants must start on the first day of a month and end on the last day of a month.

 - iv. Provide the justification and/or formula for the proration rate(s) used. **Note:** Failure to provide the proration rate and justification/formula will result in denial of the requested line item(s) or adjustment to the request at the discretion of the Office.

Please visit the following page for additional guidance on suggested prorating strategies for subgrantees from one of our federal partners:

<https://ovc.ojp.gov/sites/g/files/xyckuh226/files/media/document/ovc-victim-assistance-prorating-strategies-for-subgrantees-winter-2020.pdf>

Also, refer to the NOFA and NOFA Checklist for any program-specific requirements that should be included in this section.

5. BUDGET TAB INSTRUCTIONS

Complete a detailed budget for the proposed project. All 'Total Budget' fields will be rounded by the Grant Management System to the nearest whole dollar.

Applicant designated prioritization of line items is required for all applications having multiple line items. This prioritization will be considered should budgets need to be reduced. This requirement is addressed following the Budget Tab Instructions under 'Budget Priority Tab.'

Budgets must be clear and specific. Budgets must reflect one year of spending, unless stated otherwise in the program specific NOFA and where applicable, be adjusted to reflect the start date and holidays. New Resource: Sample Budget Spreadsheet Tool: For assistance in developing application budgets to include all required elements, the Office has developed a [Budget Assistance Spreadsheet](#) as a resource. Applicants are encouraged to complete this spreadsheet as a tool, then transfer all information in the online Grants Management System (GMS).

Note: *The use of this tool is not required and **should not be uploaded** in the GMS. The Budget entered into the GMS Budget Tab is the only budget that will be reviewed and considered for each application.*

Unallowable Costs

The following services, activities, and costs cannot be supported by the Office:

- Alcoholic beverages
- Bonuses or Commissions
- Construction/Capital Expenses/Land Acquisition
- Corporate Formation (costs associated with incorporation fees, brokers' fees, fees to promoters, organizers or management consultants, attorneys, accountants, or investment counselor in connection with establishment or reorganization of an organization)
- Fundraising
- Honorarium
- Lobbying costs (including membership fees to organizations whose primary activity is lobbying)
- Meals (exception to consider food consumed by clients must be pre-approved.)
- Previous Debt Obligations
- Trinkets (items such as hats, mugs, portfolios, t-shirts, coins, and gift bags)

Please note that all costs must be reasonable, allocable, and allowable. Additionally, the Office's funding is reimbursable quarterly unless otherwise stated. To this end, applicants must consider if the entity has the financial capacity to await reimbursement following each reporting period.

The list above is not exhaustive. The Governor's Office of Crime Prevention and Policy reserves the right to make additional budget reductions/restrictions and adjustments at its discretion.

PERSONNEL

The salaries and fringe benefits for staff required to implement the project are listed in the personnel category. Note: Each requested position/title must be consistent with the title in the 'Key Grant Personnel' portion of the narrative. Consultants must be listed in Contractual Services.

Note: Time and Effort reports (Timesheets) must be maintained for **all personnel** included in the grant project. Refer to the bottom of the page at <https://gocpp.maryland.gov/grants/tips-and-guidance/time-and-effort-reports/> for more information.

For budget categorizing, personnel expenses cover salaries and wages for staff employed directly by your agency, including associated costs like FICA and fringe benefits. In contrast, contractual services, which should be entered into the Contractual budget category, pertain to agreements with external organizations or individuals performing services, where FICA and fringe benefits are generally not applicable since these entities are not treated as employees.

For each personnel position, list salary and fringe benefits as separate line items.

- The 'Description of Position' field must contain the title of the position.
- Position line items (salary and fringe) are grouped via the 'Description of Position' field.
- After completing the first Position's line item, use the dropdown to add additional budget items to the position. Include Grant Funds request and/or Cash cost-share contribution.
- The 'Description of Position' field is used to select existing positions and to add new positions.
- For multiple staff in the same position, use a suffix (i.e., Position 1, Position 2, etc.)
- Multiple positions with the same title and classification may be grouped (i.e., Overtime Patrols – 25 Officers). In addition to the requirements below, you must provide total dedicated hours for the grouped positions.

Notes:

- For each salary line item, you **must include the full annual salary amount, the percentage of time that will be spent on the project, and the hourly rate.** The hourly rate may be calculated by full salary divided by 2,080.
- Fringe benefits may not exceed 30% of reported salary costs unless prior approval is received. For each line item entered, you must include a justification that ties that item to the activities described in your narrative.

Example justifications based on the Personnel category:

Justification (line 1):

The Community Outreach Coordinator helps prepare, schedule, and develop training targeted for hospitals and other medical facilities.

Annual salary is \$60,000. She will be devoting 33.33% of her time to this project. We are requesting $\$60,000 \times .3333 = \$19,998$, rounded to \$20,000, in grant funds to support her time on this project. Her hourly rate is \$28.85.

Justification (line 2):

Fringe benefits @ 10% of salary. $\$20,000 \times .10 = \$2,000$

Justification (line 3):

The Community Outreach Trainer makes presentations at hospitals and other medical facilities. This position is supported with cash cost-share funds from a private donor. Annual salary is \$40,000. She will be devoting 25% of her time to this project. We are contributing $\$40,000 \times .25 = \$10,000$ to support her time on this project. Her hourly rate is \$19.23.

Justification (line 4):

Fringe benefits @ 10% of salary. $\$10,000 \times .10 = \$1,000$

OPERATING EXPENSES

Rental Space, Printing, and Communications. Communication expenses include items such as telephone, fax, postage, and other expenditures such as photocopying. Note: Office supplies and project supplies should NOT be listed under operating, and should be listed in the 'Other' category.

Each line item entered, must include a justification that ties that item to the activities described in your narrative.

Refer to the Funding Specifications section of the NOFA for a list of allowable and unallowable expenses specific to the program.

TRAVEL

Travel expenses may include mileage and/or other transportation costs, meals, and lodging consistent with the local jurisdiction's travel regulations and may not exceed the State of Maryland reimbursement rate specified below.

For each line item entered, you must include a justification that ties that item to the activities described in your narrative. **Dates for travel and training must be provided in the justification and must fall within the award period.**

- Refer to SFY travel/per diem rates [State of Maryland Policies and Procedures for meal reimbursement](#) and [travel reimbursement rate](#) (.70 cents/mile - 1/1/25)
- Review Federal GSA guidelines [Per diem rates | GSA](#) and [IRS Standard Mileage Rate](#)

CONTRACTUAL SERVICES

Consultant contracts for training or evaluation should be included here and shall be consistent with federal guidelines. Payments to an outside agency for an employee or any other services are considered Contractual Services.

For the line item description, enter the agency (consulting firm, temporary agency, etc.), a dash, and then the nature of the service to be provided (e.g., Consultants ABC – training for Seminar). Each line item entered requires a justification that ties that item to the activities described in your narrative.

Consultant Rates: The following requirements related to consultant rates apply to all GOCPP's awards whether funded by State or federal funds. The maximum allowable compensation rate for consultant services is \$81.25 per hour or \$650 per day. Rates above this threshold will be considered on a case-by-case basis and require prior approval.

Additional information and the required procedures for requesting prior approval are found in the [Request for Preauthorization of Consultant Fees Form](#). Please note that charges at a rate above the established maximum rate that are incurred prior to the issuance of GOCPP's written approval will be determined as a disallowed cost.

Important: Contracts in existence at the time of application must be uploaded into the Documents section of the GMS during the application process. Contracts finalized post award must be uploaded into the GMS once finalized and before any reimbursement for the related expenses will be awarded.

EQUIPMENT

Equipment is defined as having a useful life in excess of one year and a procurement cost of \$10,000 or more per unit. Costs may include taxes, delivery, installation and similarly related charges. Equipment with a unit cost less than \$10,000 should be recorded in the 'Other' category (see below). The procurement process used must be consistent with the Applicant Agency's written procurement guidelines. If such guidelines do not exist, refer to the State of Maryland guidelines by accessing [General Condition Regarding Procurement](#) on the Office's website under the Grant's Area.

Maintaining internal inventory records for equipment procured under this funding source is mandatory. For post award inventory requirements, access [General Condition Regarding Property Inventory Report Forms](#) on the Office's website. [Property Inventory Report Form \(PIRFs\)](#) is required for equipment that costs \$10,000 or more per unit cost, unless the Special Conditions in your grant packet state otherwise.

Each line item entered requires a justification that ties that item to the activities described in your narrative.

OTHER

Include all other anticipated expenditures which are not included in the previous categories, such as **registration fees, program and office supplies, and equipment with a useful life less than one year and a procurement cost of less than \$10,000.** Include additional cost-share funds to support sustainability, as applicable. Refer to the [provisions for cost-share requirements](#). If applicable, upload a federally Negotiated Indirect Cost Rate Agreement (NICRA) in the Document section of the GMS.

Each line item entered requires a justification that ties that item to the activities described in your narrative.

INDIRECT COST RATE

Indirect costs may be charged to a subaward only if:

- The subrecipient has a current (unexpired) federally approved indirect cost rate; or

- The subrecipient is eligible to use, and elects to use, the de minimis indirect cost rate described in the Part 200 Uniform Requirements, as set out at 2 C.F.R. 200.414(f).

Important: Applicants **must** identify in the narrative and budget justification if they are utilizing the de minimis rate or if they are utilizing a negotiated indirect cost rate, and express mathematically how they are arriving at the budgeted amount for indirect costs.

An applicant with a current (unexpired) federally approved indirect cost rate **must** attach a copy of the indirect cost rate agreement to this application. An applicant that does not have a current federally approved rate has the option of electing to use the **15% de minimis** indirect cost rate. If an eligible applicant elects the de minimis rate, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. Please note that the de minimis rate may no longer be used once an approved federally negotiated indirect cost rate is in place. The revision to [2 CFR 200.414 \(f\)](#) expands the use of the de minimis rate of 15 percent of modified total direct costs (MTDC) to all non-Federal entities (except for those described in [Appendix VII to Part 200- State and Local Government and Indian Tribe Indirect Cost Proposals, paragraph D.1.b](#)).

Indirect Cost Distribution Bases:

*Modified Total Direct Cost, or MTDC (to be utilized if claiming **De minimis**):* This base includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards up to the first \$50,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of \$50,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency.

Direct Salaries and Wages: This base includes only the costs of direct salaries and wages incurred by the organization.

Direct Salaries and Wages plus Fringe Benefits: This base includes the costs of direct salary and wages and the direct fringe benefits incurred by the organization.

General guidance on cost allocation and prorate - Applicants must determine the appropriate methodology for allocating shared costs that are budgeted and charged to multiple grants. Reimbursable funds charged to multiple costs in the accounting and financial management system must be distributed in proportion using the principles of reasonable, allowable, and allocable expenditures per budget category and line item, as applicable.

This tab will provide a list of all budget line items that the applicant has entered in the previous Budget tab.
