E. Funding Opportunity Description

The Police Recruitment and Retention (PRAR) grant program is intended to support Maryland law enforcement agencies in developing, implementing, and sustaining evidence-informed strategies to address ongoing recruitment and retention challenges. GOCPP seeks proposals that modernize recruitment practices, strengthen workforce pipelines, improve organizational culture and officer wellness, and increase long-term retention, especially in hard-to-fill positions and underserved communities.

Priority will be given to initiatives that demonstrate measurable outcomes, data-driven decision-making, and sustainability beyond the grant period.

Law enforcement agencies across Maryland continue to experience persistent recruitment and retention challenges, including reduced applicant pools, extended hiring timelines, and increased turnover associated with workload demands, competitive labor markets, and workforce burnout. Addressing these challenges requires a comprehensive approach that extends beyond traditional recruitment methods and incorporates modern hiring practices, incentive structures, organizational supports, and regional collaboration.

PRAR funding is intended to support innovative and scalable solutions that strengthen law enforcement workforce capacity while maintaining high professional standards and advancing community-oriented policing principles.

Recruitment and Retention Strategies

Applicants may apply for funding to support activities aligned with one or more of the following strategy areas. The activities provided are examples and are not intended to be exhaustive. Applicants are encouraged to propose additional strategies that are consistent with the purpose of the PRAR grant and demonstrate effectiveness in improving recruitment and retention outcomes.

- ***Recruitment Modernization***

- Mobile-friendly recruitment or application platforms
- Recruitment marketing and outreach, including digital and social media strategies
- Recruitment events, career fairs, and community engagement initiatives

- Partnerships with high schools, community colleges, universities, or workforce development programs
- Internship, cadet, or explorer programs designed to build future applicant pipelines
- **Hiring and Retention Incentives**
 - Recruitment or hiring bonuses
 - Retention incentives tied to defined service milestones (e.g., 2-, 3-, or 5-year benchmarks)
 - Tuition assistance, academy cost reimbursement, or certification expenses

Note: Incentive-based requests must include clearly defined retention goals and describe how incentives will be administered and tracked.

- **Officer Wellness and Organizational Support**
 - Officer wellness and mental health programs
 - Peer support initiatives
 - Leadership or supervisory training focused on retention, morale, and organizational culture
 - Family-supportive initiatives, where allowable
- **Barrier Reduction and Workforce Diversity**
 - Lawful efforts to reduce unnecessary barriers to entry without compromising public safety standards
 - Targeted recruitment strategies to expand applicant pools among underrepresented populations
 - Mentoring or preparatory programs for prospective candidates

NOTE: The activities above are illustrative and intended to guide applicants toward high-impact strategies. Applicants are not limited to proposing these strategies. Agencies may submit applications that include other innovative recruitment and retention efforts consistent with PRAR program goals.

1. FACE SHEET TAB INSTRUCTIONS

a. *Project Title*

The project title should be brief, precise, and reflect the proposed strategy. For example: "MCIN Howard County: Heroin Coordinator and Domestic Violence Shelter." (**Word Limit: 10**)

b. *Applicant Agency*

⁴ For help with first-time registration, visit the Federal Service Desk, [fsd.gov](#)

SAM.gov Federal Registration Instruction: Every applicant entity must comply with all applicable SAM.gov unique entity identifier(UEI) requirements. SAM.gov is the repository for certain standard information about federal financial assistance applicants, recipients, and subrecipients. The UEI is a unique twelve-character identification code assigned to your organization by the SAM.gov upon registration.

Once registered, entities must complete annual renewals to maintain an active status. It is recommended that you begin the SAM.gov registration or renewal process **30 days prior** to any NOFA deadlines to allow for the time necessary to complete the full process, including SAM.gov's entity validation process. If you intend to apply for a specific opportunity, refer to the grant program-specific NOFA, and plan your SAM.gov registration accordingly. For additional support, visit [SAM.gov Help](#). **A screenshot of an active registration must be uploaded in the document section of the GMS. Active registration must be maintained throughout the grant life cycle.**

SAM.gov Public Search Record: When registering, please check the box that allows the record to be a "public display record." This will enable periodic GOCPP compliance reviews of subgrantee SAM.gov status.

Access to SAM.GOV: [SAM.gov](#). There is no cost for this service.

All applications must adhere to word limits for each narrative response, **to include headers per section and subsection**. Much of the information is required to be submitted in a numerical, outline format, which should aid in a concise application to meet maximum word requirements.

Note: The applicant is responsible for ensuring each response adheres to the word limit and includes headers summarizing the content or data provided. Although the GMS allows responses to exceed the limit, the word and character counts are displayed in the bottom right-hand corner of the section. **Please note that any words exceeding the limit will not be read, reviewed, or considered.**

Applications that do not adhere to these requirements, as well as providing incomplete narratives and attachments, may be disqualified during the initial technical review. GOCPP encourages applicants to draft their narrative in a word processing program with headers for each section (Word, Google Docs, etc.), then transfer to the Grants Management System (GMS) to aid in ensuring technical requirements.

You must include the following information **for each grant funded position requested within the budget** using the outline format below:

- a. Position title which must be consistent with the title in the budget line item.
- b. How the position is currently funded (i.e., provide the entire budget for each position. If funded by more than one source, list percentages for each funding source). If the request differs from current funding, also include the proposed funding breakdown for the current request.

Please note:

1. Applicants must determine the appropriate methodology for allocating shared costs that are budgeted and charged to multiple grants. Reimbursable funds charged to multiple costs in the accounting and financial management system must be distributed in proportion using the principles of reasonable, allowable, and allocable expenditures per budget category and line item, as applicable.
2. Time and Effort reports (Timesheets) must be maintained for all personnel included in the grant project. Refer to <https://gocpp.maryland.gov/grants/tips-and-guidance/> for more information.
3. **Note:** All documentation submitted to the Office is subject to the Public Information Act. If your organization prefers not to submit names of staff, it must develop a tracking system to be used across all GOCPP funding sources which clearly identifies positions using non personal identifiable information within the application. I. Applicant Disclosure of Pending Applications Statement (Word Limit: 150)

Although supplanting is prohibited, the leveraging of federal funding is encouraged. In instances where leveraging occurs, all federal grant funds must be tracked and reported separately and may not be used to fund the same line items. Additionally, federal funds may not be used as a cost sharing match for other federal awards.

Your organization must disclose **all** pending grant applications for the same project (identical cost items) requested under this solicitation.

- b. the solicitation name/project name
- c. the point of contact for information at the applicable funding agency

- d. the amount of the funding request as applicable

If your organization **does not have pending applications** as described above, include a statement to this effect in this section (e.g. “[Applicant Name] does not have pending applications submitted within the last 12 months for federally funded assistance that include requests for funding to support the same project being proposed under this solicitation and will cover the identical cost items outlined in the budget narrative and worksheet in the application under this solicitation.”).

J. Budget Details and Spending Plan (Word Limit: 750)

- a. **Budget Plan:** Provide the following information in the outline format below:

 - ii. Detail the methodology your organization uses to prorate the requested funds.
 - iii. Identify the proration rate(s) your organization uses for budget categories. Reimbursable funds charged to multiple costs must be distributed in proportion using the principles of reasonable, allowable, and allocable expenditures per budget category and line item, as applicable. Note: Your organization must have a written policy in place concerning prorating and/or the calculations used, and provide the policy upon request.
 - iv. Provide the justification and/or formula for the proration rate(s) used. **Note:** Failure to provide the proration rate and justification/formula will result in denial of the requested line item(s) or adjustment to the request at the discretion of the Office.
 - v. Funding requests for line items must be limited to staff or projects supported by this application.

Please visit the following page for additional guidance on suggested prorating strategies for subgrantees from one of our federal partners:

<https://ovc.ojp.gov/sites/g/files/xyckuh226/files/media/document/ovc-victim-assistance-prorating-strategies-for-subgrantees-winter-2020.pdf>

- b. **Spending Plan:** Detail the implementation **timeline of each budget line item** within the grant award period.

Note: The need for each budget line item as it relates to specific project objectives must be addressed within the Goals and Objectives section of the narrative. Budget line items not described within the Goals and Objectives category may not be funded. Also, **refer to the NOFA for any program-specific requirements that should be included in this narrative section.**

K. Unique Entity Identifier (UEI) and SAM.gov Expiration Date:

Enter your entity's 12-character alphanumeric Unique Entity Identifier (UEI) issued by [SAM.gov](https://sam.gov). List a valid expiration date. L. Person Completing the Project Narrative:

Include person completing project narrative: Include the following: Name, Job Title, Organization Name, Telephone, Fax, and E-mail address. **Note:** Please provide Organizational Capacity

Questionnaire (OCQ) attestation in the GMS text box. Refer to Section 12, OCQ Qualtrics instructions below.

4. LETTERS OF SUPPORT/COMMITMENT

If listed as a requirement in the NOFA, submit letters of commitment by partners who will participate in the execution of the project or whose cooperation or support is necessary for its success. Applications that do not adhere to these requirements, and submit incomplete applications with missing required attachments in the checklist, may be disqualified during the initial technical review. Letters of support/commitment will only be accepted when they are uploaded with the electronic application submission. Letters should be addressed to the Executive Director of the GOCPP. **If required, support letters must be updated in the Document section of the GMS by the due date.**

Also, refer to the NOFA and NOFA Checklist for any program-specific requirements that should be included in this section.

5. BUDGET TAB INSTRUCTIONS

Complete a detailed budget for the proposed project. All 'Total Budget' fields will be rounded by the Grant Management System to the nearest whole dollar.

Applicant designated prioritization of line items is required for all applications having multiple line items. This prioritization will be considered should budgets need to be reduced. This requirement is addressed following the Budget Tab Instructions under 'Budget Priority Tab.'

Budgets must be clear and specific. Budgets must reflect one year of spending, unless stated otherwise in the program specific NOFA and where applicable, be adjusted to reflect the start date and holidays. Funding requests for line items must be limited to staff or projects proposed in this application. The Office **reserves the right to reduce budgets**. Grant funds are reimbursed on a quarterly basis unless otherwise noted in the NOFA.

Cost Share/Match: Each budget line item must include a justification entry proportional to the application request. Total project cost for each budget category tab in GMS may include cost-share funds as required by the program-specific NOFA. Applicants may satisfy cost-share requirements with either Cash or In-Kind services, including volunteer hours, as applicable per program-specific NOFA requirements. Please refer to the [Grant Cost Share Calculator and Provisions](#) as applicable.

The cash cost-share may take the form of funds contributed by local governments such as agency or county budgets. The use of unrestricted funding is recommended for non-profits. Entities must maintain records which clearly show the source and amount of all cost share contributions.

Applicants must refer to each program-specific NOFA to determine other cost-share restrictions. The cost-share fund requirement may be waived if the local government or nonprofit organization can demonstrate good cause as determined by the Office's Executive Director.

The justification sections must contain brief statements (one to two sentences per line item) that explain **each line item** and its relevance to the project goals and objectives. **Do not state "See Narrative, Goals, or Objectives"**. Refer to the Grant Management System training videos for further instructions <https://goccp.maryland.gov/grants/gms-help-videos/>.

Allowable Costs⁵

General guidance on cost allocation and prorate - Applicants must determine the appropriate methodology for allocating shared costs that are budgeted and charged to multiple grants. Reimbursable funds charged to multiple costs in the accounting and financial management system must be distributed in proportion using the principles of reasonable, allowable, and allocable expenditures per budget category and line item, as applicable.

For example, organizations:

- Must explain the process used to prorate the funds between the sources which includes funding sources and the general operating budget
- Identify the different rates in the spending plan.
- The organization must have a written policy in place concerning prorating and/or the calculations used.
- A copy of the prorating policy must be provided when requested.

Please visit the following page for additional guidance on suggested prorating strategies for subgrantees from one of our federal partners:

New Resource: Sample Budget Spreadsheet Tool: For assistance in developing application budgets to include all required elements, the Office has developed a [Budget Assistance Spreadsheet](#) as a resource. Applicants are encouraged to complete this spreadsheet as a tool, then transfer all information in the online Grants Management System (GMS).

Note: *The use of this tool is not required and **should not be uploaded** in the GMS. The Budget entered into the GMS Budget Tab is the only budget that will be reviewed and considered for each application.*

Unallowable Costs

The following services, activities, and costs cannot be supported by the Office:

- Alcoholic beverages
- Bonuses or Commissions
- Construction/Capital Expenses/Land Acquisition
- Corporate Formation (costs associated with incorporation fees, brokers' fees, fees to promoters, organizers or management consultants, attorneys, accountants, or investment counselor in connection with establishment or reorganization of an organization)
- Fundraising
- Honorarium
- Lobbying costs (including membership fees to organizations whose primary activity is lobbying)
- Meals (exception to consider food consumed by clients must be pre-approved.)
- Previous Debt Obligations
- Trinkets (items such as hats, mugs, portfolios, t-shirts, coins, and gift bags)

Please note that all costs must be reasonable, allocable, and allowable. Additionally, the Office's funding is reimbursable quarterly unless otherwise stated. To this end, applicants must consider if the entity has the financial capacity to await reimbursement following each reporting period.

⁵ Financial reviews are conducted per 2 C.F.R. § 200.413 Direct costs Principles: Reasonable, Allowability and Allocability of expenditures aligned with each program-specific NOFA purpose. Budget justifications will be reviewed to include adequate statements by the applicant related to proportional allocation of costs referenced 2 CFR § 200.405.

The list above is not exhaustive. The Governor's Office of Crime Prevention and Policy reserves the right to make additional budget reductions/restrictions and adjustments at its discretion.

PERSONNEL

The salaries and fringe benefits for staff required to implement the project are listed in the personnel category. Note: Each requested position/title must be consistent with the title in the 'Key Grant Personnel' portion of the narrative. Consultants must be listed in Contractual Services.

Note: Time and Effort reports (Timesheets) must be maintained for **all personnel** included in the grant project. Refer to the bottom of the page at <https://gocpp.maryland.gov/grants/tips-and-guidance/time-and-effort-reports/> for more information.

For budget categorizing, personnel expenses cover salaries and wages for staff employed directly by your agency, including associated costs like FICA and fringe benefits. In contrast, contractual services, which should be entered into the Contractual budget category, pertain to agreements with external organizations or individuals performing services, where FICA and fringe benefits are generally not applicable since these entities are not treated as employees.

For each personnel position, list salary and fringe benefits as separate line items.

- The 'Description of Position' field must contain the title of the position.
- Position line items (salary and fringe) are grouped via the 'Description of Position' field.
- After completing the first Position's line item, use the dropdown to add additional budget items to the position. Include Grant Funds request and/or Cash cost-share contribution.
- The 'Description of Position' field is used to select existing positions and to add new positions.
- For multiple staff in the same position, use a suffix (i.e., Position 1, Position 2, etc.)
- Multiple positions with the same title and classification may be grouped (i.e., Overtime Patrols – 25 Officers). In addition to the requirements below, you must provide total dedicated hours for the grouped positions.
- Funding requests for line items must be limited to staff or projects supported by this application.
- For a salaried position request, you must provide a justification for the fringe benefit in a separate line as shown above. If the fringe is covered by an alternate funding source, a statement to that effect must be included in the justification line. For example, "Fringe will not be charged to this subaward as it is being covered by another funding source."

Notes:

- For each salary line item, you **must include the full annual salary amount, the percentage of time that will be spent on the project, and the hourly rate.** The hourly rate may be calculated by full salary divided by 2,080.
- Fringe benefits may not exceed 30% of reported salary costs unless prior approval is received. For each line item entered, you must include a justification that ties that item to the activities described in your narrative.

Example justifications based on the Personnel category:**Justification (line 1):**

The Community Outreach Coordinator helps prepare, schedule, and develop training targeted for hospitals and other medical facilities.

Annual salary is \$60,000. She will be devoting 33.33% of her time to this project. We are requesting $\$60,000 \times .3333 = \$19,998$, rounded to \$20,000, in grant funds to support her time on this project. Her hourly rate is \$28.85.

Justification (line 2):

Fringe benefits @ 10% of salary. $\$20,000 \times .10 = \$2,000$

Justification (line 3):

The Community Outreach Trainer makes presentations at hospitals and other medical facilities. This position is supported with cash cost-share funds from a private donor.

Annual salary is \$40,000. She will be devoting 25% of her time to this project. We are contributing $\$40,000 \times .25 = \$10,000$ to support her time on this project. Her hourly rate is \$19.23.

Justification (line 4):

Fringe benefits @ 10% of salary. $\$10,000 \times .10 = \$1,000$

OPERATING EXPENSES

Rental Space, Printing, and Communications. Communication expenses include items such as telephone, fax, postage, and other expenditures such as photocopying. Note: Office supplies and project supplies should NOT be listed under operating, and should be listed in the 'Other' category.

Each line item entered, must include a justification that ties that item to the activities described in your narrative.

Refer to the Funding Specifications section of the NOFA for a list of allowable and unallowable expenses specific to the program.

TRAVEL

Travel expenses may include mileage and/or other transportation costs, meals, and lodging consistent with the local jurisdiction's travel regulations and may not exceed the State of Maryland reimbursement rate specified below.

For each line item entered, you must include a justification that ties that item to the activities described in your narrative. **Dates for travel and training must be provided in the justification and must fall within the award period.**

- Refer to SFY travel/per diem rates [State of Maryland Policies and Procedures for meal reimbursement](#) and [travel reimbursement rate](#) (72.5 cents/mile - 1/1/26)

- Review Federal GSA guidelines [Per diem rates | GSA](#) and [IRS Standard Mileage Rate](#). Please be sure to check for annual updates effective January 1.

Mileage	Grant Funds	600.00	0.56	\$333.00	Just.		
Meals (B \$8, L \$10, D \$24)	Grant Funds	5.00	42.00	\$210.00	Just.		
Hotel	Grant Funds	5.00	\$101.40	\$507			

CONTRACTUAL SERVICES

Consultant contracts for training or evaluation should be included here and shall be consistent with federal guidelines. Payments to an outside agency for an employee or any other services are considered Contractual Services.

For the line item description, enter the agency (consulting firm, temporary agency, etc.), a dash, and then the nature of the service to be provided (e.g., Consultants ABC – training for Seminar). Each line item entered requires a justification that ties that item to the activities described in your narrative.

Consultant Rates: The following requirements related to consultant rates apply to all GOCPP's awards whether funded by State or federal funds. The maximum allowable compensation rate for consultant services is \$81.25 per hour or \$650 per day. Rates above this threshold will be considered on a case-by-case basis and require prior approval.

Additional information and the required procedures for requesting prior approval are found in the [Request for Preauthorization of Consultant Fees Form](#). Please note that charges at a rate above the established maximum rate that are incurred prior to the issuance of GOCPP's written approval will be determined as a disallowed cost.

Important: Contracts in existence at the time of application must be uploaded into the Documents section of the GMS during the application process. Contracts finalized post award must be uploaded into the GMS once finalized and before any reimbursement for the related expenses will be awarded.

EQUIPMENT

Equipment is defined as having a useful life in excess of one year and a procurement cost of \$10,000 or more per unit. Costs may include taxes, delivery, installation and similarly related charges. Equipment with a unit cost less than \$10,000 should be recorded in the 'Other' category (see below). The procurement process used must be consistent with the Applicant Agency's written procurement guidelines. If such guidelines do not exist, refer to the State of Maryland guidelines by accessing [General Condition Regarding Procurement](#) on the Office's website under the Grant's Area.

Maintaining internal inventory records for equipment procured under this funding source is mandatory. For post award inventory requirements, access [General Condition Regarding Property Inventory Report Forms](#) on the Office's website. [Property Inventory Report Form \(PIRFs\)](#) is required for equipment that costs \$10,000 or more per unit cost, unless the Special Conditions in your grant packet state otherwise.

Each line item entered requires a justification that ties that item to the activities described in your narrative.

OTHER

Funding requests for line items must be limited to staff or projects supported by this application. Include all other anticipated expenditures which are not included in the previous categories, such as **registration fees, program and office supplies, Indirect Cost Rate (include a 15% de minimis or federal negotiated agreement), and equipment with a useful life less than one year and a procurement cost of less than \$10,000**. Include additional cost-share funds to support sustainability, as applicable. Refer to the [provisions for cost-share requirements](#). If applicable, upload a federally Negotiated Indirect Cost Rate Agreement (NICRA) in the Document section of the GMS.

Each line item entered requires a justification that ties that item to the activities described in your narrative.

INDIRECT COST RATE

Indirect costs may be charged to a subaward only if:

- The subrecipient has a current (unexpired) federally approved indirect cost rate; or
- The subrecipient is eligible to use, and elects to use, the de minimis indirect cost rate described in the Part 200 Uniform Requirements, as set out at 2 C.F.R. 200.414(f).

Important: Applicants **must** identify in the narrative and budget justification if they are utilizing the de minimis rate or if they are utilizing a negotiated indirect cost rate, and express mathematically how they are arriving at the budgeted amount for indirect costs.

An applicant with a current (unexpired) federally approved indirect cost rate **must** attach a copy of the indirect cost rate agreement to this application. An applicant that does not have a current federally approved NICRA has the option of electing to use the **15% de minimis** indirect cost rate. If an eligible applicant elects the de minimis rate, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. The revision to [2 CFR 200.414 \(f\)](#) expands the use of the de minimis rate of 15 percent of modified total direct costs (MTDC) to all non-Federal entities (except for those described in [Appendix VII to Part 200- State and Local Government and Indian Tribe Indirect Cost Proposals, paragraph D.1.b](#)).

Indirect Cost Distribution Bases:

*Modified Total Direct Cost, or MTDC (to be utilized if claiming **De minimis**):* This base includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards up to the first \$50,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of \$50,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency.

Direct Salaries and Wages: This base includes only the costs of direct salaries and wages incurred by the organization.

Direct Salaries and Wages plus Fringe Benefits: This base includes the costs of direct salary and wages and the direct fringe benefits incurred by the organization.

General guidance on cost allocation and prorate - Applicants must determine the appropriate methodology for allocating shared costs that are budgeted and charged to multiple grants. Reimbursable funds charged to multiple costs in the accounting and financial management system must be distributed in proportion using the principles of reasonable, allowable, and allocable expenditures per budget category and line item, as applicable.

9. SIGNATURE PAGES

The Certified Assurances and Federal Anti-Lobbying Certification must be signed by an Authorized Representative. **Both forms may only be signed by the Applicant Agency's Authorized Official or the Alternative Authorized Official.** Both forms must be generated by the online application software. Please see the following [Quick Reference Sheets](#) for additional information on generating and uploading these documents for successful submission:

- [How to generate grant application signature pages](#)
- [How to attach documents to a grant application or grant award](#)

In order for an alternate signatory to be valid, the Office must receive a signed, written notification from the applicant agency's Authorized Official (on agency letterhead) stating that an alternate signatory has been designated. More information on changing the Authorized Official or adding an Alternative Authorized Official can be found in the [General Conditions](#) and on the Office's [Changing Authorized Official webpage](#).

10. SINGLE AUDIT REQUIREMENT/ CERTIFICATION OF APPLICABLE FINANCIAL REPORTING REQUIREMENTS and REQUIRED FINANCIAL REPORT UPLOADING

A non-federal entity that expends \$1,000,000 or more in Federal awards during the non-Federal entities fiscal year must have a single audit conducted in accordance with [2 CFR §200.514](#). If this applies to your organization, provide a screenshot of the audit report submitted to the [Federal Audit Clearinghouse](#) and upload to the documents section of the application.

To ensure subrecipient compliance with applicable fiscal audit/reporting requirements and the timely submission of copies of the subject documents to the Office, applicants must upload to the **Documents** section of the GMS application the:

- Executed [Certification of Applicable Financial Reporting Requirements Form](#); and
- Most recent editions of the financial reports that are indicated as applicable to the applicant on the submitted Certification of Applicable Financial Reporting Requirements Form.

If the applicant indicates on the Certification of Applicable Financial Reporting Requirements Form that their organization must file a single audit under [2 CFR §200.514](#), a screenshot verifying submission to the [Federal Audit Clearinghouse](#) must be uploaded to the documents section of the application.

Please note that the GOCPP is responsible for issuing a management decision for audit findings that relate to grants awarded with federal funds in compliance with [2 CFR §200.521\(c\)](#). Applicants must submit copies of any Audit Findings and Corrective Action Plans with the application. **Do not send a copy of your audited financial statements; ONLY the applicable audit findings and/or corrective action plan is required.**

11. PROOF OF 501(c)(3) STATUS

New non-profit organizations applying for funding must upload to the **Documents** section of the GMS application their U.S. Internal Revenue Service documentation that substantiates the organization's tax exempt status under section 501(c)(3) of the Internal Revenue Code.

12. [ORGANIZATIONAL CAPACITY QUESTIONNAIRE \(OCQ\)](#) **NEW**

As part of the Office's grant oversight process, applicants are required to complete an Organizational Capacity Questionnaire (OCQ). The OCQ is a monitoring tool used by the Office to collect information on an applicant's organizational stability, financial management practices, and program operations. Information collected through the OCQ supports the Office's determination of an applicant's risk level and appropriate monitoring approach.

For State Fiscal Year (SFY) 2027, submission of the OCQ through Qualtrics is a condition of a complete application by the due date in the online Grants Management System (GMS). Applications will not be considered complete without a submitted OCQ. Organizations must submit a new OCQ annually to ensure GOCPP has current and accurate information for monitoring purposes.

The OCQ must include reliable information provided by the applicant organization's Chief Executive or Chief Financial Officer. Based on the information submitted, the Office will assign a Risk Status in the GMS to provide oversight and monitor throughout the grant lifecycle. Applicants should refer to [Section L](#) for guidance for the individuals completing the project narrative. As required, the OCQ attestation section in the GMS must include the name, title, and date of the certifying official.

For technical assistance with the questionnaire, please contact dlmsac.gocpyvs@maryland.gov or points of contact listed in the NOFA.

13. NOFA CHECKLIST

Please refer to the program-specific NOFA to comply with all requirements and upload of additional documents as applicable. **All required documents must be uploaded by the deadline to be considered as a complete application submission.**

14. POST AWARD INSTRUCTIONS

Distribution of Funds and Reporting Requirements

For further post-award instructions, review the [General Conditions](#) and Special Conditions specific to your award in the GMS.

The Office will distribute awarded funds to grantees on a quarterly reimbursement of expenditures basis following the timely submission of corresponding quarterly fiscal and programmatic reports. These reports must be submitted through the Grants Management System. All programmatic electronic reports are due in the month following the end of the quarter. All reporting activity occurs through the Grant Management System, using the same User ID and password used for the application process.

Note: For subawards ending on June 30, it is highly recommended that subrecipients submit the last quarter financial and programmatic reports as soon as possible, and within the subsequent 30 days following the end of June. This will help avoid delays in reimbursement, as the State will be in the process of closing out the Fiscal Year.

Electronic Funds Transfer (EFT)

The Office encourages the use of electronic funds transfer (EFT). To obtain the appropriate form, the address to submit the form, and a general overview, including FAQs, refer to the following website, Comptroller of Maryland [Electronic Funds Transfer \(EFT\) Program](#).

Notes:

- Grant financial reimbursement requests are processed on a quarterly schedule unless stated otherwise in the program-specific NOFA. Please allow up to 30 days for the Office and the [Comptroller of Maryland](#) to process financial reimbursement requests and complete bank transactions. Refer to the [Financial Reporting Tips](#) for more information. It is the applicant's responsibility to update the W-9 form to ensure prompt and proper payment. If applicable, applicant must ensure all liabilities are resolved to avoid delayed payments.
- Qualifying nonprofit entities may be eligible to apply for the Maryland Department of Commerce's Nonprofit, Interest-Free Micro Bridge Loan ([NIMBL](#)) Program. NIMBL Program will allow entities to fill a funding gap between the award dates of a government grant and the actual receipt date of those awarded funds that allow for the continued support of the entity's program. Fill out the [intake form](#) to request assistance or sign up for the [Nonprofit Navigator Newsletter](#).
- Refer to [General Conditions](#), [Grant Adjustment Notice \(GAN\) Guidance](#), [Grants Tips and Guidance](#), [Civil Rights Compliance](#), [2 CFR Subrecipient Monitoring and Management Guidance](#), and [Federal Grants Financial Guide \(DOJ sample\)](#) for additional resource information.
- To review additional resources on a grant life cycle, refer to [Grants.gov Grants Learning Center](#), grant fraud and GOCPP's [Grants Management and Program Development Training modules](#).
