

Protecting Against Hate Crimes (PAHC):

Data Resources for Applicants

The following resources provide information and crime statistics regarding hate crimes at the federal, State, local, and private level. This information may be used by non-profit organizations to identify and document the support and security enhancements they need to request funds through the [Protecting Against Hate Crimes \(PAHC\) grant program](#).

Federal Sources:

The U.S. Department of Justice maintains a [Hate Crimes Enforcement and Prevention Website](#) which provides information about hate crimes, to include: facts and statistics, case examples, state level data, publications, and more. For more information regarding this website and/or to view data specific to Maryland, please visit:

- Hate Crimes Enforcement and Prevention: <https://www.justice.gov/hatecrimes>
- Maryland Data: <https://www.justice.gov/hatecrimes/state-data/maryland>

The Federal Bureau of Investigation (FBI) oversees the Uniform Crime Reporting (UCR) Program which generates reliable statistics for use in law enforcement. To view information regarding crime statistics, hate crime statistics, and hate crime reports, please visit:

- Crime Statistics: <https://www.fbi.gov/how-we-can-help-you/more-fbi-services-and-information/ucr>
- Hate Crime Statistics: <https://www.fbi.gov/how-we-can-help-you/more-fbi-services-and-information/ucr/hate-crime>
- Hate Crimes Reports: <https://cde.ucr.cjis.gov/LATEST/webapp/#/pages/explorer/crime/hate-crime>

The Cybersecurity & Infrastructure Security Agency partners with the [U.S. Department of Homeland Security Center for Faith-Based and Neighborhood Partnerships](#) and the [Faith-Based Information Sharing and Analysis Organization](#) to provide resources and support for houses of worship to secure physical and cyber infrastructure. For more information regarding this agency and related resources, please visit:

- Protecting Houses of Worship: <https://www.cisa.gov/topics/physical-security/protecting-houses-worship>
- Physical Security Performance Goals for Faith-Based Communities: <https://www.cisa.gov/sites/default/files/2023-12/physical-security-performance-goals-faith-based-communities-508c.pdf>

- House of Worship Self-Security Assessment:
