E. Funding Opportunity Description

In 2000, the Maryland General Assembly created the [Domestic Violence Unit Program](#). Despite the statutory termination of the Domestic Violence Unit Pilot Program law on June 30, 2002, the Governor's Office of Crime Prevention and Policy was able to institutionalize the program and continues to provide grant awards with budgeted state funds. DVUP is designed to offer local law enforcement agencies the resources necessary to enhance existing service efforts and comply with sections [4-504.1\(g\)](#) and [4-505\(b\)](#) of the Family Law Article for interim and temporary orders.

The primary goal of the DVUP grant is to minimize the delay between the issuance of interim and temporary protective orders and their formal entry into the Maryland Electronic Telecommunications Enforcement Resource System (METERS) and the National Crime Information Center (NCIC).

The office anticipates the availability of \$196,354 for this program and anticipates making up to 10 awards that will range between \$5,000 to \$50,000.

Please note that incomplete applications as well as applications that do not meet the minimum range noted above or those that exceed the maximum award allocation noted above may be disqualified from funding consideration during the initial technical review.

All funding is contingent upon the final approval of the Governor's Office of Crime Prevention and Policy's budget during [Maryland's 2026 Legislative Session](#) of the General Assembly.

III. Program Requirements

The Office has made changes to the SFY 2027 application instructions. An applicant should review the [GMS Application Instructions](#) in concert with this program-specific NOFA before submitting their application in the GMS. The narrative description provided in the GMS must incorporate the following program-specific elements in addition to the requirements in the [GMS Application Instructions](#).

All applications must adhere to **word limits** for each narrative response. Much of the information is required to be submitted in a numerical, outline format, which should aid in a concise application to meet maximum word requirements.

Note: The GMS will allow each response to exceed the word limit. **It is the responsibility of the applicant to ensure each response is within the limit. All words beyond the limit will not be read, considered, or reviewed.**

Applications that do not adhere to these requirements, as well as providing incomplete narratives and attachments, may be disqualified and removed from consideration during the initial technical review. The Office encourages applicants to draft their narrative in a word processing program (e.g., Microsoft Word, Google Docs, etc.) then transfer to the GMS to aid in ensuring technical requirements.

Application Tip: A double-spaced page of 12-point Times New Roman font typically contains 250 words.

For SFY 2027, submission of the OCQ through Qualtrics is required for an application to be considered complete in GMS, and it must be certified by the organization's Chief Executive or Chief Financial Officer. Information from the OCQ is used to assess organizational risk and determine the appropriate level of monitoring throughout the grant lifecycle.

For technical assistance with the questionnaire, please contact dlmsac.gocpyvs@maryland.gov or the [points of contact listed](#) in the NOFA.

Outcome-based Performance Measures

The Office strongly encourages the use of data and evidence in policy making and program development for criminal justice, juvenile justice, and crime victim services. Applicants are encouraged to reference best practices and evidence-based approaches when applicable. Additional information and resources are available through the [OJP Resource Guide](#).

In the **narrative section of the GMS**, the applicant must clearly describe how the project's success will be measured, including the outcomes and outputs the project intends to achieve during the grant period. Successful grantees will be required to report quarterly on the progress toward these self-identified outcomes and outputs for the duration of the grant. Post-award Progress Reports must align with and reflect the performance measures proposed in the approved application. Substantive changes to performance measures post-award require prior written approval. Grantees will be required to track and measure program outputs and outcome-based performance measures that support GOCPP's objective.

____ ² in ____ ³. The program ____ ⁴. Program funds support personnel,
equipment, and training. ⁵

1. The beginning of the first sentence contains the Implementing Agency's name and the Project Title. The project title should be brief, precise, and reflect what is being funded.
2. Indicate what the project proposes to accomplish in general terms (examples include: reduce existing gaps in services, foster collaboration and cooperation among partner agencies and stakeholders, provide direct services to...., etc.).

3. NARRATIVE TAB INSTRUCTIONS

GOCPP has made changes to the **SFY 27** application instructions. The requirements of the GMS narrative are explained below. All applications must adhere to word limits for each narrative response, **to include headers per section and subsection**. Much of the information is required to be submitted in a numerical, outline format, which should aid in a concise application to meet maximum word requirements.

Note: The applicant is responsible for ensuring each response adheres to the word limit and includes headers summarizing the content or data provided. Although the GMS allows responses to exceed the limit, the word and character counts are displayed in the bottom right-hand corner of the section. **Please note that any words exceeding the limit will not be read, reviewed, or considered.**

Applications that do not adhere to these requirements, as well as providing incomplete narratives and attachments, may be disqualified during the initial technical review. GOCPP encourages applicants to draft their narrative in a word processing program with headers for each section (Word, Google Docs, etc.), then transfer to the Grants Management System (GMS) to aid in ensuring technical requirements.

Application Tip: A double-spaced page of 12-point Times New Roman font typically contains between 250-350 words.

E. Goals & Objectives (Word Limit: 1,500)

Goals identify the program's intended short and long-term results. Goals are broad, overarching, often qualitative, targets of the requested project. They identify and describe the substantive changes in the targeted population's knowledge, behavior, or disposition. Typically each goal would have 3-5 related objectives.

Objectives are specific, measurable tasks and activities that help achieve each goal. They are clear, time-bound, and quantifiable, and specify the target level of achievement.

The need for each budget line item as it relates to specific project objectives must be addressed within the Goals and Objectives section of the narrative. Budget line items not described within the Goals and Objectives category may not be funded.

It is important to note that all successful subrecipients will be required to report on the program measurements (outputs and outcomes) identified in the Goals and Objectives section as part of quarterly progress reporting questions. This should be incorporated into the Data Collection Plan.

Also, refer to the NOFA for any program-specific requirements that should be included in this narrative section.

- a. Position title which must be consistent with the title in the budget line item.
- b. How the position is currently funded (i.e., provide the entire budget for each position. If funded by more than one source, list percentages for each funding source). If the request differs from current funding, also include the proposed funding breakdown for the current request.

Please note:

1. Applicants must determine the appropriate methodology for allocating shared costs that are budgeted and charged to multiple grants. 2. Time and Effort reports (Timesheets) must be maintained for all personnel included in the grant project. Refer to <https://gocpp.maryland.gov/grants/tips-and-guidance/> for more information.
3. **Note:** All documentation submitted to the Office is subject to the Public Information Act. If your organization prefers not to submit names of staff, it must develop a tracking system to be used across all GOCPP funding sources which clearly identifies positions using non personal identifiable information within the application. This information must be made available upon request.
4. Do not enter any sensitive personally identifiable information (PII), business identifiable information, or any other sensitive or personal information.

Note: Post award, grant funds are reimbursed on a quarterly basis unless otherwise stated in the NOFA. **Also, refer to the NOFA for any program-specific requirements that should be included in this narrative section.**

I. Applicant Disclosure of Pending Applications Statement (Word Limit: 150)

Although supplanting is prohibited, the leveraging of federal funding is encouraged. In instances where leveraging occurs, all federal grant funds must be tracked and reported separately and may not be used to fund the same line items. Additionally, federal funds may not be used as a cost sharing match for other federal awards.

Your organization must disclose **all** pending grant applications for the same project (identical cost items) requested under this solicitation.

In this section, applicants that have pending applications as described above must provide the following information about pending applications submitted within the last 12 months in the outline format below:

- a. the federal or state funding agency
- b. the solicitation name/project name
- c. the point of contact for information at the applicable funding agency

- d. the amount of the funding request as applicable

If your organization **does not have pending applications** as described above, include a statement to this effect in this section (e.g. “[Applicant Name] does not have pending applications submitted within the last 12 months for federally funded assistance that include requests for funding to support the same project being proposed under this solicitation and will cover the identical cost items outlined in the budget narrative and worksheet in the application under this solicitation.”).

J. Budget Details and Spending Plan (Word Limit: 750)

- a. **Budget Plan:** Provide the following information in the outline format below:
 - i. Describe how this request supplements, and does not supplant, the existing budget. **Supplanting** occurs when a state or unit of local government reduces state or local funds for an activity, specifically because federal funds are available (or expected to be available) to fund that same activity. **Supplementing** occurs when federal funds are used to enhance existing state or local funds for program activities.
 - ii. Detail the methodology your organization uses to prorate the requested funds.
 - iii. Identify the proration rate(s) your organization uses for budget categories. Reimbursable funds charged to multiple costs must be distributed in proportion using the principles of reasonable, allowable, and allocable expenditures per budget category and line item, as applicable. Note: Your organization must have a written policy in place concerning prorating and/or the calculations used, and provide the policy upon request.
 - iv. Provide the justification and/or formula for the proration rate(s) used. **Note:** Failure to provide the proration rate and justification/formula will result in denial of the requested line item(s) or adjustment to the request at the discretion of the Office.
 - v. Funding requests for line items must be limited to staff or projects supported by this application.

Please visit the following page for additional guidance on suggested prorating strategies for subgrantees from one of our federal partners:

<https://ovc.ojp.gov/sites/g/files/xyckuh226/files/media/document/ovc-victim-assistance-prorating-strategies-for-subgrantees-winter-2020.pdf>

- b. **Spending Plan:** Detail the implementation **timeline of each budget line item** within the grant award period.

Note: The need for each budget line item as it relates to specific project objectives must be addressed within the Goals and Objectives section of the narrative. Budget line items not described within the Goals and Objectives category may not be funded. Also, **refer to the NOFA for any program-specific requirements that should be included in this narrative section.**

K. Unique Entity Identifier (UEI) and SAM.gov Expiration Date:

Enter your entity's 12-character alphanumeric Unique Entity Identifier (UEI) issued by [SAM.gov](https://sam.gov). List a valid expiration date. If you are experiencing an issue, please enter 12/31/2099 in this data field and include a sentence or two explaining this workaround under the UEI and [SAM.gov](https://sam.gov) expiration narrative section in the GMS portal.

L. Person Completing the Project Narrative:

Include person completing project narrative: Include the following: Name, Job Title, Organization Name, Telephone, Fax, and E-mail address. **Note:** Please provide Organizational Capacity

Questionnaire (OCQ) attestation in the GMS text box. Refer to Section 12, OCQ Qualtrics instructions below.

4. LETTERS OF SUPPORT/COMMITMENT

If listed as a requirement in the NOFA, submit letters of commitment by partners who will participate in the execution of the project or whose cooperation or support is necessary for its success. Applications that do not adhere to these requirements, and submit incomplete applications with missing required attachments in the checklist, may be disqualified during the initial technical review. Letters of support/commitment will only be accepted when they are uploaded with the electronic application submission. Letters should be addressed to the Executive Director of the GOCPP. **If required, support letters must be updated in the Document section of the GMS by the due date.**

Also, refer to the NOFA and NOFA Checklist for any program-specific requirements that should be included in this section.

5. BUDGET TAB INSTRUCTIONS

Complete a detailed budget for the proposed project. All 'Total Budget' fields will be rounded by the Grant Management System to the nearest whole dollar.

Applicant designated prioritization of line items is required for all applications having multiple line items. This prioritization will be considered should budgets need to be reduced. This requirement is addressed following the Budget Tab Instructions under 'Budget Priority Tab.'

Budgets must be clear and specific. Budgets must reflect one year of spending, unless stated otherwise in the program specific NOFA and where applicable, be adjusted to reflect the start date and holidays. Funding requests for line items must be limited to staff or projects proposed in this application. The Office **reserves the right to reduce budgets**. Grant funds are reimbursed on a quarterly basis unless otherwise noted in the NOFA.

Cost Share/Match: Each budget line item must include a justification entry proportional to the application request. Total project cost for each budget category tab in GMS may include cost-share funds as required by the program-specific NOFA. Applicants may satisfy cost-share requirements with either Cash or In-Kind services, including volunteer hours, as applicable per program-specific NOFA requirements. Please refer to the [Grant Cost Share Calculator and Provisions](#) as applicable.

The cash cost-share may take the form of funds contributed by local governments such as agency or county budgets. The use of unrestricted funding is recommended for non-profits. Entities must maintain records which clearly show the source and amount of all cost share contributions.

Applicants must refer to each program-specific NOFA to determine other cost-share restrictions. The cost-share fund requirement may be waived if the local government or nonprofit organization can demonstrate good cause as determined by the Office's Executive Director.

The justification sections must contain brief statements (one to two sentences per line item) that explain **each line item** and its relevance to the project goals and objectives. **Do not state "See Narrative, Goals, or Objectives"**. Refer to the Grant Management System training videos for further instructions <https://goccp.maryland.gov/grants/gms-help-videos/>.

Allowable Costs⁵

General guidance on cost allocation and prorate - Applicants must determine the appropriate methodology for allocating shared costs that are budgeted and charged to multiple grants. Reimbursable funds charged to multiple costs in the accounting and financial management system must be distributed in proportion using the principles of reasonable, allowable, and allocable expenditures per budget category and line item, as applicable.

For example, organizations:

- Must explain the process used to prorate the funds between the sources which includes funding sources and the general operating budget
- Identify the different rates in the spending plan.
- The organization must have a written policy in place concerning prorating and/or the calculations used.
- A copy of the prorating policy must be provided when requested.

Please visit the following page for additional guidance on suggested prorating strategies for subgrantees from one of our federal partners:

<https://ovc.ojp.gov/sites/g/files/xyckuh226/files/media/document/ovc-victim-assistance-prorating-strategies-for-subgrantees-winter-2020.pdf>

New Resource: Sample Budget Spreadsheet Tool: For assistance in developing application budgets to include all required elements, the Office has developed a [Budget Assistance Spreadsheet](#) as a resource. Applicants are encouraged to complete this spreadsheet as a tool, then transfer all information in the online Grants Management System (GMS).

Note: *The use of this tool is not required and **should not be uploaded** in the GMS. The Budget entered into the GMS Budget Tab is the only budget that will be reviewed and considered for each application.*

Unallowable Costs

The following services, activities, and costs cannot be supported by the Office:

- Alcoholic beverages
- Bonuses or Commissions
- Construction/Capital Expenses/Land Acquisition
- Corporate Formation (costs associated with incorporation fees, brokers' fees, fees to promoters, organizers or management consultants, attorneys, accountants, or investment counselor in connection with establishment or reorganization of an organization)
- Fundraising
- Honorarium
- Lobbying costs (including membership fees to organizations whose primary activity is lobbying)
- Meals (exception to consider food consumed by clients must be pre-approved.)
- Previous Debt Obligations
- Trinkets (items such as hats, mugs, portfolios, t-shirts, coins, and gift bags)

Please note that all costs must be reasonable, allocable, and allowable. Additionally, the Office's funding is reimbursable quarterly unless otherwise stated. To this end, applicants must consider if the entity has the financial capacity to await reimbursement following each reporting period.

⁵ Financial reviews are conducted per 2 C.F.R. § 200.413 Direct costs Principles: Reasonable, Allowability and Allocability of expenditures aligned with each program-specific NOFA purpose. Budget justifications will be reviewed to include adequate statements by the applicant related to proportional allocation of costs referenced 2 CFR § 200.405.

The list above is not exhaustive. The Governor's Office of Crime Prevention and Policy reserves the right to make additional budget reductions/restrictions and adjustments at its discretion.

PERSONNEL

The salaries and fringe benefits for staff required to implement the project are listed in the personnel category. Note: Each requested position/title must be consistent with the title in the 'Key Grant Personnel' portion of the narrative. Consultants must be listed in Contractual Services.

Note: Time and Effort reports (Timesheets) must be maintained for **all personnel** included in the grant project. Refer to the bottom of the page at <https://gocpp.maryland.gov/grants/tips-and-guidance/time-and-effort-reports/> for more information.

For budget categorizing, personnel expenses cover salaries and wages for staff employed directly by your agency, including associated costs like FICA and fringe benefits. In contrast, contractual services, which should be entered into the Contractual budget category, pertain to agreements with external organizations or individuals performing services, where FICA and fringe benefits are generally not applicable since these entities are not treated as employees.

For each personnel position, list salary and fringe benefits as separate line items.

- The 'Description of Position' field must contain the title of the position.
- Position line items (salary and fringe) are grouped via the 'Description of Position' field.
- After completing the first Position's line item, use the dropdown to add additional budget items to the position. Include Grant Funds request and/or Cash cost-share contribution.
- The 'Description of Position' field is used to select existing positions and to add new positions.
- For multiple staff in the same position, use a suffix (i.e., Position 1, Position 2, etc.)
- Multiple positions with the same title and classification may be grouped (i.e., Overtime Patrols – 25 Officers). In addition to the requirements below, you must provide total dedicated hours for the grouped positions.
- Funding requests for line items must be limited to staff or projects supported by this application.
- For a salaried position request, you must provide a justification for the fringe benefit in a separate line as shown above. If the fringe is covered by an alternate funding source, a statement to that effect must be included in the justification line. For example, "Fringe will not be charged to this subaward as it is being covered by another funding source."

Notes:

- For each salary line item, you **must include the full annual salary amount, the percentage of time that will be spent on the project, and the hourly rate.** The hourly rate may be calculated by full salary divided by 2,080.
- Fringe benefits may not exceed 30% of reported salary costs unless prior approval is received. For each line item entered, you must include a justification that ties that item to the activities described in your narrative.

Example justifications based on the Personnel category:**Justification (line 1):**

The Community Outreach Coordinator helps prepare, schedule, and develop training targeted for hospitals and other medical facilities.

Annual salary is \$60,000. She will be devoting 33.33% of her time to this project. We are requesting $\$60,000 \times .3333 = \$19,998$, rounded to \$20,000, in grant funds to support her time on this project. Her hourly rate is \$28.85.

Justification (line 2):

Fringe benefits @ 10% of salary. $\$20,000 \times .10 = \$2,000$

Justification (line 3):

The Community Outreach Trainer makes presentations at hospitals and other medical facilities. This position is supported with cash cost-share funds from a private donor.

Annual salary is \$40,000. She will be devoting 25% of her time to this project. We are contributing $\$40,000 \times .25 = \$10,000$ to support her time on this project. Her hourly rate is \$19.23.

Justification (line 4):

Fringe benefits @ 10% of salary. $\$10,000 \times .10 = \$1,000$

OPERATING EXPENSES

Rental Space, Printing, and Communications. Communication expenses include items such as telephone, fax, postage, and other expenditures such as photocopying. Note: Office supplies and project supplies should NOT be listed under operating, and should be listed in the 'Other' category.

Each line item entered, must include a justification that ties that item to the activities described in your narrative.

Refer to the Funding Specifications section of the NOFA for a list of allowable and unallowable expenses specific to the program.

TRAVEL

Travel expenses may include mileage and/or other transportation costs, meals, and lodging consistent with the local jurisdiction's travel regulations and may not exceed the State of Maryland reimbursement rate specified below.

For each line item entered, you must include a justification that ties that item to the activities described in your narrative. **Dates for travel and training must be provided in the justification and must fall within the award period.**

- Refer to SFY travel/per diem rates [State of Maryland Policies and Procedures for meal reimbursement](#) and [travel reimbursement rate](#) (72.5 cents/mile - 1/1/26)

CONTRACTUAL SERVICES

Consultant contracts for training or evaluation should be included here and shall be consistent with federal guidelines. Payments to an outside agency for an employee or any other services are considered Contractual Services.

For the line item description, enter the agency (consulting firm, temporary agency, etc.), a dash, and then the nature of the service to be provided (e.g., Consultants ABC – training for Seminar). Each line item entered requires a justification that ties that item to the activities described in your narrative.

Consultant Rates: The following requirements related to consultant rates apply to all GOCPP's awards whether funded by State or federal funds. The maximum allowable compensation rate for consultant services is \$81.25 per hour or \$650 per day. Rates above this threshold will be considered on a case-by-case basis and require prior approval.

Additional information and the required procedures for requesting prior approval are found in the [Request for Preauthorization of Consultant Fees Form](#). Please note that charges at a rate above the established maximum rate that are incurred prior to the issuance of GOCPP's written approval will be determined as a disallowed cost.

Important: Contracts in existence at the time of application must be uploaded into the Documents section of the GMS during the application process. Contracts finalized post award must be uploaded into the GMS once finalized and before any reimbursement for the related expenses will be awarded.

EQUIPMENT

Equipment is defined as having a useful life in excess of one year and a procurement cost of \$10,000 or more per unit. Costs may include taxes, delivery, installation and similarly related charges. Equipment with a unit cost less than \$10,000 should be recorded in the 'Other' category (see below). The procurement process used must be consistent with the Applicant Agency's written procurement guidelines. If such guidelines do not exist, refer to the State of Maryland guidelines by accessing [General Condition Regarding Procurement](#) on the Office's website under the Grant's Area.

Maintaining internal inventory records for equipment procured under this funding source is mandatory. For post award inventory requirements, access [General Condition Regarding Property Inventory Report Forms](#) on the Office's website. [Property Inventory Report Form \(PIRFs\)](#) is required for equipment that costs \$10,000 or more per unit cost, unless the Special Conditions in your grant packet state otherwise.

Each line item entered requires a justification that ties that item to the activities described in your narrative.

OTHER

Funding requests for line items must be limited to staff or projects supported by this application. Include all other anticipated expenditures which are not included in the previous categories, such as **registration fees, program and office supplies, Indirect Cost Rate (include a 15% de minimis or federal negotiated agreement), and equipment with a useful life less than one year and a procurement cost of less than \$10,000**. Include additional cost-share funds to support sustainability, as applicable. Refer to the [provisions for cost-share requirements](#). If applicable, upload a federally Negotiated Indirect Cost Rate Agreement (NICRA) in the Document section of the GMS.

Each line item entered requires a justification that ties that item to the activities described in your narrative.

INDIRECT COST RATE

Indirect costs may be charged to a subaward only if:

- The subrecipient has a current (unexpired) federally approved indirect cost rate; or
- The subrecipient is eligible to use, and elects to use, the de minimis indirect cost rate described in the Part 200 Uniform Requirements, as set out at 2 C.F.R. 200.414(f).

Important: Applicants **must** identify in the narrative and budget justification if they are utilizing the de minimis rate or if they are utilizing a negotiated indirect cost rate, and express mathematically how they are arriving at the budgeted amount for indirect costs.

An applicant with a current (unexpired) federally approved indirect cost rate **must** attach a copy of the indirect cost rate agreement to this application. An applicant that does not have a current federally approved NICRA has the option of electing to use the **15% de minimis** indirect cost rate. If an eligible applicant elects the de minimis rate, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. The revision to [2 CFR 200.414 \(f\)](#) expands the use of the de minimis rate of 15 percent of modified total direct costs (MTDC) to all non-Federal entities (except for those described in [Appendix VII to Part 200- State and Local Government and Indian Tribe Indirect Cost Proposals, paragraph D.1.b](#)).

Indirect Cost Distribution Bases:

*Modified Total Direct Cost, or MTDC (to be utilized if claiming **De minimis**):* This base includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards up to the first \$50,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of \$50,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency.

Direct Salaries and Wages: This base includes only the costs of direct salaries and wages incurred by the organization.

Direct Salaries and Wages plus Fringe Benefits: This base includes the costs of direct salary and wages and the direct fringe benefits incurred by the organization.

General guidance on cost allocation and prorate - Applicants must determine the appropriate methodology for allocating shared costs that are budgeted and charged to multiple grants. Reimbursable funds charged to multiple costs in the accounting and financial management system must be distributed in proportion using the principles of reasonable, allowable, and allocable expenditures per budget category and line item, as applicable.

If this applies to your organization, provide a screenshot of the audit report submitted to the [Federal Audit Clearinghouse](#) and upload to the documents section of the application.

To ensure subrecipient compliance with applicable fiscal audit/reporting requirements and the timely submission of copies of the subject documents to the Office, applicants must upload to the **Documents** section of the GMS application the:

12. [ORGANIZATIONAL CAPACITY QUESTIONNAIRE \(OCQ\)](#) **NEW**

As part of the Office's grant oversight process, applicants are required to complete an Organizational Capacity Questionnaire (OCQ). The OCQ is a monitoring tool used by the Office to collect information on an applicant's organizational stability, financial management practices, and program operations. Information collected through the OCQ supports the Office's determination of an applicant's risk level and appropriate monitoring approach.

For State Fiscal Year (SFY) 2027, submission of the OCQ through Qualtrics is a condition of a complete application by the due date in the online Grants Management System (GMS). Applications will not be considered complete without a submitted OCQ. Organizations must submit a new OCQ annually to ensure GOCPP has current and accurate information for monitoring purposes.

The OCQ must include reliable information provided by the applicant organization's Chief Executive or Chief Financial Officer. Based on the information submitted, the Office will assign a Risk Status in the GMS to provide oversight and monitor throughout the grant lifecycle. Applicants should refer to [Section L](#) for guidance for the individuals completing the project narrative. As required, the OCQ attestation section in the GMS must include the name, title, and date of the certifying official.

For technical assistance with the questionnaire, please contact dlmsac.gocpyvs@maryland.gov or points of contact listed in the NOFA.

The Office will distribute awarded funds to grantees on a quarterly reimbursement of expenditures basis following the timely submission of corresponding quarterly fiscal and programmatic reports. These reports must be submitted through the Grants Management System. All programmatic electronic reports are due in the month following the end of the quarter. All reporting activity occurs through the Grant Management System, using the same User ID and password used for the application process.
